Let s set up a time to talk...

I would be willing to consider any offers; and we will have to look at who they are coming from, what we think the firm can do for Rip-off Report and the victimized consumers...

We would want to get an influx of money to be able to implement many things. What ever we are doing today will be a lot different in the near future, as we have our own Network TV News program in progress. We are making major changes to the site.

Give me a time we can talk, or, if you want to make a proposal, please do so sooner than later. I am talking with other firms, so the sooner the better I know who we are dealing with and want you have to offer us.

Ed,

We spoke about a week ago about my getting involved with RipoffReport.com. I've had a chance to talk it over with my partners. While we remain interested in RipOffReport, we are not prepared to pay \$800,000 for one year of service (the price you quoted us). If we ultimately decided it would be a good fit, we would be willing to pay you based on the profits generated by RipOffReport. After doing extensive research and having an independent lawyer do his own review, we are convinced that this can be done legally and ethically (and in keeping with the prohibitions limiting fee-sharing with non-lawyers).

If you would like to pursue this, please let me know.

Jay Edelson

we get over 5 million hits a day and an overhead of over \$30,000 a month. we have a service where we assist lawyers nationwide.

We are actually looking for ONE large firm that we can direct all requests like yours we get daily for one set fee a year. We cannot make percentages off of cases, but we can get paid in other various ways.

If you have a specific case we can assist or if you feel you might be interested to be that one exclusive law firm call me and I can explain more.

We are the number 1 consumer web site says Google, AOL and MSN, according to a recent interview by a Reporter.

We we have the most extensive data base of victims. We are not looking for quick settlements and coupons ... we know sometimes that is all that is available.

I'm a class action attorney in Chicago who runs a website geared to promoting certain class action lawsuits (www.classactionconnect.com). I would be interested in speaking to you to see if there's anyway we could work together on our common goals.
