**DECLARATION OF RACHEL M. KINDSTRAND IN SUPPORT OF  
PLAINTIFF'S MOTION TO COMPEL**

I, Rachel M. Kindstrand, have personal knowledge of the facts alleged herein, am competent to testify, and if called as a witness, would testify as follows:

1. I am an attorney licensed and in good standing with the State Bar of Illinois, and I am admitted to practice before the General Bar of the United States District Court for the Northern District of Illinois, Eastern Division.

2. I have entered an appearance as counsel for Plaintiff George S. May International Company in the above-captioned case.

3. I make this declaration in support of the Exhibits which are attached to this Declaration. This Declaration is made in support of Plaintiff George S. May International Company's Motion to Compel Answers to Its First Set of Interrogatories and Requests to Produce Documents and Things.

4. On March 9, 2005, I personally went to Defendants' website, [www.ripoffreport.com](http://www.ripoffreport.com). I inputted George S. May into the search request dialogue box. A number of entries for reports involving Plaintiff were generated. I viewed and printed a report entitled "George S. May International ripoff! Beware Potential Employees. Park Ridge Illinois" which indicates that it was submitted by an individual named John located in Woodstock, Illinois. This entire report is attached as Exhibit 1 to this Declaration.

5. On March 9, 2005, I personally went to Defendants' website, [www.ripoffreport.com](http://www.ripoffreport.com). I clicked on the link "File" at the top of the webpage, and then chose the link "Register as a new user:." I viewed and printed the webpage entitled "Register" which contains several boxes for the user to fill in, including boxes for a first and last name, as well as address information including city and state. This webpage is attached as Exhibit 2 to this Declaration.

6. On March 9, 2005, I personally went to Defendants' website, [www.ripoffreport.com](http://www.ripoffreport.com). I clicked on the link "Revenge Guide." I viewed and printed the webpage entitled "The Ripoff Revenge." I also viewed and printed the pop-up advertisement which appears upon accessing [www.ripoffreport.com](http://www.ripoffreport.com), entitled "From the founder of Rip-off Report.com." The webpage and advertisement are attached as Exhibit 3 to this Declaration.

7. On March 9, 2005, I personally went to Defendants' website, [www.ripoffreport.com](http://www.ripoffreport.com). I clicked on the link "Donate." I viewed and printed the webpage asking for donations which also includes links to PayPal. This webpage is attached as Exhibit 4 to this Declaration.

8. On December 15, 2004, I went to Sterling Network Services website, located at [www.sterlingnetwork.com](http://www.sterlingnetwork.com). I clicked on the link entitled "contact." I viewed and printed the

webpage, which includes an address and contact information for SNS Chicago, IL. This webpage is attached as Exhibit 5 to this Declaration.

9. On February 16, 2005, I personally went to Defendants' website, [www.ripoffreport.com](http://www.ripoffreport.com). I ran a search on the website for "EDitor" which refers to Defendant Ed Magedson. I viewed the results of the search, and read at least one posting which referred to a telephone call between posters of information and the EDitor. The webpage referring to this conversation and the EDitor's response is attached as Exhibit 6 to this Declaration.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on March 9, 2005

I'm writing this report to alert potential GSM employees to beware of this organization. Last May (2004), I was telephoned by a representative of GSM about leaving my employer and coming over to GSM. The rep sounded as if she was in a room with hundreds of telemarketing reps which made me suspicious. She said that my thirteen years of working in the incentive marketing industry (a little bit of consulting) made me a perfect match for an "Executive Analyst" position. She set up a time for me to meet with someone at their HQ in Park Ridge, IL.

I decided to google the company (and boy was it smart that I did) to find out everything that I could about how they work. Being from the incentive marketing industry, I was trained that before meeting with anyone, do your homework and be as informed as possible about how they operate. I could not find one source of positive feedback about the organization anywhere on the web. The only source of outside information that I found was on RipOffReport.com.

I became more and more angry as I read the myriad of reports that were filed by ex-clients and ex-employees about their business practices. I decided that when I met with this "Executive" on my interview day, I would present a dossier about the extremely negative data that I collected.

When my interview was at hand, I visited the GSM HQ and was told that I would have to wait at least 45 minutes to see the "Executive" that was supposed to interview me. I politely told the receptionist that "my time is valuable and if this person does not present himself soon that I would be leaving."

She called the executive who told her that there was no changing his schedule and that I would have to wait. I told her that there was no point in waiting and I would be leaving. I gave my dossier to her and instructed her to present it to the executive who was supposed to interview me and to call me if there was a time to reschedule. I promptly left and was never contacted again. What a suprise.

Please, Please, Please do your homework on this company. Check out as much information as possible before you decide to work for such an organization. Real consultants from Bearing Point, Accenture and the like are almost all MBA's and are not telemarketed for positions. This company gives real consultants a bad name.

I have created the Rip-Off Revenge™ as a way to empower people with honest grievances to take action on them.

In our society today, lawyers, & businesspeople are often more concerned about what they can get away with than what is fair. Misuse of power like that upsets me! They say it's all "business". They take away the personal values of honesty and integrity and show no mercy except maybe some token political correctness. It's time for people who have been taken advantage of to get honest attention!

*"I was extremely discouraged after being taken by a fraudulent financial entity. What's worse is that I was so embarrassed that I would not have taken action even if I knew how to. Luckily, I read the preview edition of Rip-off Revenge™ guide. Not only did the book help me to realize that I had nothing to be ashamed of, it allowed me to obtain full retribution. Without the Revenge Guide, I would have been lost. Thank you Rip-off Report for taking the time to construct such a wonderful book!"*

*"I bought your Do-It-Yourself Guide. I'll have to admit the thought of paying for a book to help me get what I felt I was already owed to me sounded like a rip-off. I was without a vehicle because I paid for repairs to my car that was never done. The garage manager kept insisting they replaced everything they charged me for. Being without a car gave me the determination I needed to start the steps in the guide book. I followed your instructions and can't believe what satisfaction it gave me! I was almost disappointed when the garage manager agreed to repair my car again and was refunding the money I already paid. I think consumers let so many things "slide by" because we are unsure of what to do. I never could have done it without your step by step instructions. I was able to get what was rightfully mine all legally without the expense of an attorney. It sure worked for me! Thank you very much"*

LOL I'm still here

---

As you can see I'm still here. No one is making fun of your child just it's freakish parents. It's pretty common knowledge that I post as David and no one else here, so that dogs not going to hunt anymore that your countless other claims LOL. You can try to hide the core issue here behind another one of your smokescreens but it's going to fail. And whats thats issue? You and your husband file frivolous reports on your local businesses. I like many who have posted warning the readers here about you, are laughing at you April. The only way we are going to stop is when you sit down and shut that fat mouth of yours. Have a nice day!!

Hey Editor! April is utterly confused .. help her out in here!

---

O April, how could David and I be the same person when we just together in person last month when he got down to my part of the state?

Why is it on all the reports you have typed in, you always start accusing people of all being one certain person who's out to get you every time you start losing a fight you'd started?

ED, the Editor of this website has talked to David and I on the phone on a 3--way call. I'm assuming you will trust it's the truth if he indeed tells you we are two separate people.

Really it's very easy. David is 6' 3" and I am 5' even. He's the tall one, I'm the short one .. we both are bullheaded, opinionated, and cute. :)

I can attest to the fact that they are 2 different people, ..one is male and one is female. Of course, one of them could have had a sex change. But, they are definitely 2 different people.

**7 hours of hell**

I have been ordering pizza from Pizza Hut for years without any problems. Perhaps some squished pizzas from time to time but nothing serious. This past Saturday, I ordered a big New Yorker for delivery. Normally I can eat 5 slices but this time I had trouble with the second. I finished the third piece without enjoying the slice and had to lay down. I was not feeling so great.

Within 30 minutes of laying on my bed, I felt I needed to vomit. I threw up and had diarrhea for seven hours where I was in the bathroom every 10 minutes. I have never thrown up so hard in my life. I have been sick before and this was the worst.

With all of my musscles cramping trying to throw up bright yellow bile I am still sore today. It is now Tuesday and I am miserable at work. I feel like I have a fever because of my muscle soreness. I need to lift boxes with electronic in them and cannot. I am contemplating loosing a day of work. Thank you Pizza Hut.

I have not contacted Pizza Hut because I believe if you want to be safe from food poisoning you should cook for yourself. This way you only have yourself to blame. Accidents happen and Pizza Hut produces how may pizzas a year, with how many reported illnesses? I imagine the statistics are low.
