Certification of Power of Whether Court Possessed(es) Authority to Grant Extension of Time w/in Which Appellant May File Notice of Appeal

- Whether the Court did not see on 4/27/05 in Claiming that it did not possess authority to grant ROR ~~an~~ extension of time w/in which to file his Notice of Appeal upon ROR's renewal at the motion that had originally been filed in such regard on 3/15/05 on 4/27/05 when on 4/27/05 ROR had explained the developments in open court that had resulted in the notice having been filed on 3/14/05 rather than 3/11/05 given that F.R. of C.P. # 4 (a)(5) explicitly states: The District Court may extend the time to file a notice of appeal if: (1) a party so moves no later than 30 days after the time prescribed by this Rule 4(a) expires...
