7. **Court Transcript:**

Appellant ordered the transcript for this Appeal on July 9, 2007.

8. **Issues:**

Summary of the Case: Judge Hibbler issued an order enjoining Stoller from filing any appeals from the Bankruptcy Court proceeding until the conclusion of the said proceeding in violation of Stoller's due process and equal protection rights. In Judge Hibbler's denial of Stoller's motion for reconsideration, Judge Hibbler erroneously relied on a March 9, 2007 Executive Committee order enjoining Stoller "from filing any civil action or proceeding without first obtaining leave from the Committee." Judge Hibbler erroneously interrupted the Executive Committee order which relates to only new matters; not matters that have already been in litigation involving Stoller, including the bankruptcy.

9. **Type of Case:**

Chapter 7 bankruptcy.
