LITIGATION
RECEIVED
CLERK'S OFFICE
2007 MAR 29 A 10:45

Plaintiff in the action listed below, by her attorneys, moves the Panel pursuant to 28 U.S.C. § 1407 to transfer the pending cases identified in the schedule filed concurrently herewith to the United States District Court for the Central District of California, and to consolidate them for pretrial purposes before the Honorable George H. King.

As set forth below and in the accompanying Memorandum, Movant believes the actions listed on the accompanying Schedule of Actions satisfy the requirements for consolidation and coordination because they concern common questions of fact and law and consolidation or coordination will serve the interests of efficiency and convenience.

In support of this Motion, Movant states as follows:

1. Movant is the plaintiff in the following case:

Shirley Sexton v. Menu Foods Income Fund, Inc.
United State District Court for the Central District of California
Case No. 07-cv-01958-GHK (AJWx).

2. The *Sexton Action* is a class action brought on behalf of all United States' residents who purchased contaminated pet food from Menu Foods Income Fund, Menu Foods Inc., and Menu Foods Midwest Corporation (collectively referred to as "Menu Foods").

3. Specifically, the *Sexton Action* alleges that Menu Foods sold contaminated pet food to the general public that could cause severe injuries and death to pets that consumed the food.

4. The *Sexton Action* seeks damages on behalf of all individuals who purchased the defendant's contaminated pet food.

5. The factual allegations in the related actions contain identical allegations concerning the defendant's sale of contaminated pet food to the public. (See Complaints attached hereto as Exhibits A (*Sexton*), B (*Holt*) C (*Sims*), D (*Majerczyk*), E (*Whaley*), and F (*Workman*). The cases are all similar with respect to the legal theories supporting

their claims. All of the plaintiffs assert claims for compensatory damages, claims under state unfair and deceptive acts statutes, as well as common law claims, arising out of the defendant's conduct. Moreover each of the related actions is a class action and seeks relief on behalf of the same class of persons: all persons who purchased the contaminated pet food sold by the defendant. In each case, the district court will be asked to determine the following factual and legal issues raised against defendants:

- a) Whether Defendants intentionally, recklessly or negligently authorized injurious pet food to enter the market;
- b) Whether Defendants failed to properly test their "cuts and gravy" style dog and cat food before market entry of such foods;
- c) Whether Defendants intentionally, recklessly or negligently delayed in instituting a recall of its "cuts and gravy" style dog and cat food;
- d) Whether Defendants' recall is adequate and properly notifies potentially affected consumers;
- e) Whether Defendants' conduct constituted unlawful, unfair, or fraudulent business practices under state consumer protections statutes;
- f) Whether Defendants have been unjustly enriched as a result of their conduct;
- g) Whether Plaintiff and members of the Class have sustained damages as a result of Defendants' conduct, and, if so, what is there appropriate measure of damages; and
- h) Whether Plaintiff and members of the Class are entitled to punitive damages, and, if so, in what amount.

6. Discovery conducted in each of the actions proposed for consolidation will be substantially similar, and will involve the same or similar documents and witnesses, since each case arises from virtually identical operative facts relating to Menu Food's conduct.

7. Absent transfer of all of these cases to a single forum for coordinated and consolidated pretrial proceedings, there is a substantial risk of inconsistent and conflicting pretrial rulings on discovery and other key issues, such as class certification.

8. There has been no discovery in any of the actions and no initial disclosures have been made. Since all actions are in the beginning stage of litigation, no prejudice or inconvenience will result from transfer, coordination, and/or consolidation.

9. Efficiency in the administration of justice will be served by consolidation, because one judge rather than three judges can supervise all pretrial proceedings and render rulings that are consistent for all plaintiffs on common issues.

10. For the reasons stated in this Motion and the Memorandum of Law submitted herewith, Movant respectfully request that all cases listed in the attached schedule be transferred to the United States District Court for the Central District of California to be consolidated for pretrial purposes before the Honorable George H. King.

JUDICIAL PANEL ON
MULTIDISTRICT
LITIGATION

Movant, Shirley Sexton, on behalf of herself and all others similarly situated, ("Movant") seeks transfer and coordination or consolidation under 28 U.S.C. § 1407 of all related "PET FOOD PRODUCT LIABILITY LITIGATION" filed in the federal courts. Plaintiff seeks to have all cases identified in the accompanying schedule transferred to the United States District Court for the Central District of California.

I. INTRODUCTION

There are currently six federal actions of which Movant is aware ("the pending cases"), that seek relief for individuals who purchased contaminated pet food from the defendants, Menu Foods Income Fund, Inc., Menu Foods Midwest Corporation, and Menu Foods, Inc. (collectively referred to as "Menu Foods"). The federal courts have original diversity jurisdiction over these state and common law based actions pursuant to The Class Action Fairness Act of 2005, 28 U.S.C. § 1332(d).

Specifically, the pending cases allege that Menu Foods sold contaminated pet food to the general public and that individuals whose pets consumed the food suffered severe injuries and, in some cases, death. All of the pending cases seek to certify a class of United States' residents who purchased the contaminated pet food and seek to compensate them for all damages incurred as a result of the defendant's conduct.

None of the six pending cases is advanced and no discovery has been conducted. The actions are currently pending in the District Courts of New Jersey, Tennessee, Arkansas, Illinois, Washington and the Central District of California. Each arises from identical conduct involving the same defendant, and from common questions of law and fact. Prompt coordination and judicial action under the federal court's broad powers should be invoked to promote the efficient prosecution of the pending actions.

///

II. ARGUMENT

A. **Transfer To One District For Coordinated Or Consolidated Pretrial Proceedings Will Promote The Goals Of Ensuring The Just And Efficient Conduct Of The Actions, And Avoiding Inconsistent Or Conflicting Substantive And Procedural Determinations.**

The purpose of 28 U.S.C. § 1407 is to provide centralized management, under a single court's supervision, of pretrial proceedings of litigation arising in various districts to ensure the just, efficient and consistent conduct and adjudication of such actions. *In re New York City Mun. Sec. Litig.*, 572 F.2d 49, 50 (2d Cir. 1978).

The transfer of actions to a single forum under § 1407 is appropriate where, as here, it will prevent duplication of discovery, and, most importantly in the instant case, it will eliminate the possibility of overlapping or inconsistent pleading and class action determinations by courts of coordinate jurisdiction. *In re Litig. Arising from Termination of Retirement Plan for Employees of Fireman's Fund Ins. Co.*, 422 F. Supp. 287, 290 (J.P.M.L. 1976); *In re LTV Corp. Sec. Litig.*, 470 F. Supp. 859, 862 (J.P.M.L. 1979); *In re Exterior Siding and Aluminum Coil Litig.*, 538 F. Supp. 45, 47 (D.C. Minn. 1982); *In re "Agent Orange" Prod. Liability Litig.*, 597 F. Supp. 740, 752 (E.D.N.Y. 1984), *affirmed*, 818 F.2d 145 (2d Cir. 1987), *cert. denied*, 484 U.S. 1004 (1988), *on remand*, 689 F.Supp. 1250 (E.D.N.Y. 1988).

As noted above, such transfer and coordination is particularly appropriate at this time because formal discovery is in its infancy in each of the actions. Thus, coordination and transfer will effectuate an obvious savings of time and resources. The litmus test of transferability and coordination under § 1407 is the presence of common questions of fact. *In re Fed. Election Campaign Act Litig.*, 511 F. Supp. 821, 823 (J.P.M.L. 1979). Each of the pending actions is a class action arising directly and explicitly from Menu Food's sale of contaminated pet food to the general public. Proof in the pending actions will plainly involve identical factual issues.

Furthermore, since each of the pending cases is brought as a class action, consistent and efficient rulings on class certification issues are critical. *See, e.g., In Re: Piper Aircraft Distribution Sys. Antitrust Litig.*, 405 F.Supp. 1402, 1403-04 (J.P.M.L. 1970); *In Re: Baldwin-United Corporation Litig.*, 581 F.Supp. 739 (J.P.M.L. 1984); *In Corporation Litig.*, 581 F.Supp. 739 (J.P.M.L. 1984).

B. The Convenience of the Parties Will Be Served By Transfer to the Central District of California.

Transfer will serve the convenience of the parties by drawing the lawsuits to one central location. Lawsuits have now been filed in New Jersey, Washington, Tennessee, Arkansas, Illinois and the Central District of California. Movant respectfully submits that the Central District of California, would be a particularly suitable forum for the just and prompt handling of pretrial proceedings as it offers a convenient location, a skilled and experienced trial judge, an efficiently managed and speedy docket, and a strong interest in the resolution of these claims.

Further, as the situs of one of the nation's busiest airports, the Central District of California, located in downtown Los Angeles, would be easily accessible to all parties, counsel and other participants in the pretrial process. More importantly, however, California as the most populous state in the country, is clearly home to the largest number of Class Members.

Finally, the Honorable George H. King to whom Movant's case is assigned, has substantial experience with class actions and complex commercial litigation developed during 12 years in the federal judiciary. Judge King's depth of experience and reputation for efficiently handling complex cases makes him an exceptional candidate to manage these complex cases.

Additionally, Judge King is currently handling no other MDL matters and his courthouse is home to only 9 MLD's overall. As such, his court will likely be able to dedicate the time and resources to effectively manage these cases.

C. The Need For Transfer and Coordination in the Class Action Context.

Of central concern to Plaintiff is the potential for disruption, confusion and prejudice created by the pendency of at least five actions seeking class-wide relief in five different districts. The Panel has consistently held that when the risk of overlapping or inconsistent class determinations exists, transfer of actions to a single district for coordinated or consolidated pretrial proceedings is necessary in order to eliminate the possibility of inconsistent pretrial rulings, especially concerning class issues. *In re Bristol Bay, Salmon Fishery Antitrust Litig.*, 424 F.Supp. 504, 506 (J.P.M.L. 1976); *In re Litig. Arising from Termination of Retirement Plan for Employees of Fireman's Fund Ins. Co.*, 422 F. Supp. at 290 (J.P.M.L. 1976); *In re Nat'l Airlines, Inc., etc.*, 399 F.Supp. 1405, 1407 (J.P.M.L. 1975); *In re Roadway Express, Inc. Employment Practices Litig.*, 384 F.Supp. 612, 613 (J.P.M.L. 1974). This is true even when only two actions are involved. *In re First Nat'l Bank, etc.*, 451 F.Supp. 995, 997 (J.P.M.L. 1978).

III. CONCLUSION

For the foregoing reasons, and for those stated in the accompanying Motion, Plaintiff respectfully requests that the three pending "PET FOOD PRODUCT LIABILITY LITIGATION" actions be transferred and coordinated and/or consolidated in the District of Massachusetts under 28 U.S.C. § 1407, and that all related individual or class actions be transferred thereto as "tag along actions."

Case No. _____

CLASS ACTION COMPLAINT

JURY TRIAL DEMANDED

1 Plaintiff Shirley Sexton ("Plaintiff"), individually and on behalf of all others
2 similarly situated, alleges by and through her attorneys, upon information and
3 belief, as follows:

4 **NATURE OF THE ACTION**

5 1. Plaintiff brings this class action on behalf of herself and a class of
6 consumers and entities who purchased brands of pet food manufactured by
7 Defendants that caused pets to suffer severe illness or death. Pet owners, believing
8 Defendants' products to be safe for pet consumption, incurred substantial expenses
9 relating to the purchase of the pet food and to the veterinary monitoring and
10 treatment that became necessary after their pets consumed Defendants' pet food.
11 Such expenses were even more extreme for those pet owners whose pets became
12 terminally ill after consuming Defendants' pet food products. Such costs arose and
13 were exacerbated by the undue amount of time taken by Defendants to announce
14 the dangers associated with its dog and cat foods. Although Defendants knew that
15 pet illnesses and deaths could be related to their pet foods, Defendants waited for
16 nearly a month before telling the public and the Food and Drug Administration
17 (FDA) that it was recalling its products. Defendants' lethal products, and the
18 companies' excessive delay in warning consumers and regulatory agencies as to its
19 dangers, resulted in significant financial loss to thousands of pet owners.

20 **JURISDICTION AND VENUE**

21 2. The Court has original jurisdiction over this class action pursuant to 28
22 U.S.C. § 1332(d)(2).

23 3. Venue in this judicial district is proper pursuant to 28 U.S.C. § 1391(a)(1)
24 because Plaintiff resides in this judicial district. Venue is also proper pursuant to
25 28 U.S.C. § 1391(a)(2) because a substantial part of the events or omissions giving
26 rise to the claim occurred in this judicial district.

27 4. The members of the putative Class have suffered aggregate damages
28 exceeding \$5,000,000, exclusive of interest and costs.

PARTIES

5. Plaintiff Shirley Sexton is a resident of Los Angeles County, California.

6. Defendant Menu Foods Income Fund is a Canadian company with its principal executive offices located at 8 Falconer Drive, Streetsville, Ontario, Canada L5N 1B1.

7. Defendant Menu Foods, Inc. is a New Jersey corporation with its principal executive offices located at 9130 Griffith Morgan Lane, Pennsauken, New Jersey 08110.

8. Defendant Menu Foods Midwest Corporation is a Delaware corporation with its principal executive offices located at P.O. Box 1046, 1400 East Logan Avenue, Emporia, Kansas 66801. Menu Foods Midwest Corporation is a wholly-owned subsidiary of Menu Foods, Inc.

9. Unless otherwise stated, Defendants Menu Foods Income Fund, Menu Foods, Inc., and Menu Foods Midwest Corporation are collectively referenced as "Defendants."

10. At all times herein mentioned, Defendants were the agents, principals, employees, servants, partners, joint venturers, and representatives of each other. In doing the acts hereinafter alleged, they each were acting within the scope and course of their authority as such agents, principals, employees, servants, partners, joint venturers, and representatives, and were acting with the permission and consent of the other Defendant.

FACTUAL ALLEGATIONS

11. Defendants manufacture and sell pet food internationally and are the biggest supplier of pet food in North America.

12. Defendants sell pet food under nearly 100 different brand names, some of which are the most popular brands of dog and cat food in the industry – e.g., Iams, Eukanuba, Science Diet, among others.

13. Defendants sell their brands internationally and in some of the largest

1 major retail chains in the United States, such as Wal-Mart, Safeway, Kroger,
2 PetSmart and Meijer.

3 14. On March 16, 2007, Defendants, in conjunction with the Food and Drug
4 Administration (FDA), announced a massive immediate recall of approximately 60
5 million containers of "cuts and gravy" pet food (pet food consisting of pieces of
6 meat in gravy) throughout the United States based on widespread reports of pet
7 illness and death, mostly related to kidney failure. The recall covers all "cuts and
8 gravy" we pet food produced and distributed by Defendants, including over ninety
9 different brands of dog and cat food. Some of the brands recalled include, Iams,
10 Eukanuba, Best Choice, Paws, and Nutro Max. Defendants' recall is the largest pet
11 food recall in United States history.

12 15. However, Defendants waited an excessive period of time before deciding
13 to recall its harmful and lethal products. Defendants first started receiving
14 complaints of pet illnesses and deaths as early as late-February, almost a full month
15 before deciding to recall its products. *See, e.g., CBSNews.com, Pet Food Co.*
16 *Knew of Problem Last Month, March 20, 2007, at*
17 <http://www.cbsnews.com/stories/2007/03/20/national/main2587087.shtml> (last
18 viewed March 22, 2007). Rather than announcing its products could be harmful to
19 pets as soon as it learned of pet illnesses and deaths, Defendants decided to conduct
20 its own testing. Defendants conducted tests involving over 50 animals to observe
21 reactions to its pet foods. Approximately one in six of the animals tested died. Yet,
22 Defendants again waited until as many as seven test subjects died after eating its pet
23 food before finally submitting its findings to the FDA and deciding that a recall and
24 announcement to the public would be necessary.

25 16. Due in no small part to this unnecessary and protracted delay, as of
26 March 21, 2007 there have been at least seventy-two reported pet deaths from
27 kidney failure nationwide and additional deaths continue to be reported by the hour.
28 One source indicated that 1,715 dogs and cats were either sick or dead as a result of

1 the recalled food products. See <http://www.petconnection.com/blog/> (last viewed
2 March 22, 2007).

3 17. Pet owners purchased Defendants' products believing them to be safe for
4 pet consumption and beneficial to their pets. However, the "cuts and gravy" style
5 pet food that pet owners across the nation have fed their pets has proved to be toxic,
6 causing renal failure in cats and dogs as well as physical disorders such as
7 dehydration, diarrhea, loss of appetite, increased thirst, lethargy, and vomiting.

8 18. Pet owners have incurred substantial expenses relating both to the
9 purchase of Defendants' pet food and from the medical costs associated with
10 monitoring and treating pets who have consumed, or were thought to have
11 consumed, Defendants' contaminated food products. Indeed, several pet owners
12 have accrued veterinary bills that have climbed into the several thousands of
13 dollars. Furthermore, for those pet owners whose pets became terminally ill, they
14 were forced to incur additional costs relating to their pets death, such as euthanizing
15 and, for some, burying or cremating their pet.

16 19. Currently, Defendants still have not identified the cause of the food
17 toxicity. However, aminopterin, a substance found in rat poisons, was recently
18 discovered in the recalled foods.

19 20. In addition, pet owners who have become increasingly concerned about
20 their pet's health after learning of the recall have received little to no relief from
21 Defendants. Defendants have failed to manage the high volume of incoming
22 complaints. Since instituting the recall, pet owners have been largely unable to
23 reach Defendants' customer service representatives, often encountering busy
24 signals or voicemail messages. See, e.g., *Thejournalnews.com, Pet Owners*
25 *Growling over Food Recall*, March 20, 2007, at
26 <http://www.thejournalnews.com/apps/pbcs.dll/article?AID=/20070320/BUSINESS>
27 [01/703200345/1066](http://www.thejournalnews.com/apps/pbcs.dll/article?AID=/20070320/BUSINESS) (last viewed March 22, 2007). To be sure, Defendants have
28 been criticized for not being cooperative with customers, for not getting helpful

1 information out to the public sooner and for failing to “get control of the crisis . . .
2 employ[ing] a bunker mentality in times of trouble.” Joseph R. Perone, *The Star-*
3 *Ledger, Menu Foods Fails Test in Crisis Management*, March 21, 2007, available
4 at [http://www.nj.com/starledger/stories/index.ssf?/base/business-](http://www.nj.com/starledger/stories/index.ssf?/base/business-6/117445554784980.xml&coll=1)
5 [6/117445554784980.xml&coll=1](http://www.nj.com/starledger/stories/index.ssf?/base/business-6/117445554784980.xml&coll=1) (last viewed March 23, 2007).

6 21. Since the recall, Defendants have received scores of complaints and
7 questions from consumers who have purchased its contaminated pet food products
8 and from those whose pets have become ill or died after consuming those products.

9 22. The complaints found throughout the Internet and in many of the news
10 stories mentioned above each contain the same common theme of consumers who
11 unwittingly purchased Defendants’ food products and who were forced to take their
12 pets to veterinarians for medical treatment after their pets became extremely, and
13 sometimes terminally ill.

14 23. Plaintiff Shirley Sexton regularly purchased *Special Kitty* brand wet pet
15 food from Wal-Mart Stores, Inc. before the recall was announced.

16 24. Four cats lived in Ms. Sexton’s household. Two of Ms. Sexton’s three
17 cats, Red and Kelso, ate the *Special Kitty* pet food every day. Spike, a cat
18 belonging to Ms. Sexton’s daughter, also ate *Special Kitty* pet food on a daily basis.

19 25. On or March 16 and March 17, 2007, Shirley noticed that both Red and
20 Kelso were ill. She took Red and her two other cats in to the veterinarian. Two of
21 the three cats, including Kelso, were initially found to be healthy. However, the
22 veterinarian discovered Red had kidney failure and decided to keep Red overnight.
23 On March 20, 2007, the veterinarian determined that Red’s condition had
24 significantly worsened and Ms. Sexton, in order to spare her pet from suffering any
25 further, made the decision to have Red euthanized that same day.

26 26. After her experience with Red, Ms. Sexton also brought her daughter’s
27 cat, Spike, to the veterinarian for testing. The veterinarian determined that Spike –
28 who also ate Wal-Mart’s *Special Kitty* brand food – was suffering from kidney

1 failure. As of the date of this complaint, Spike remains in the veterinary hospital.

2 27. To date, Ms. Sexton has incurred at least \$1,100 in veterinary bills.

3 **CLASS ACTION ALLEGATIONS**

4 28. Plaintiff brings this action as a class action pursuant to Federal Rule of
5 Civil Procedure 23(a) and 23(b) on behalf of herself and all others similarly situated
6 as members of the following class (the "Class"): All persons and entities that
7 purchased "cuts and gravy" style dog or cat food manufactured, distributed,
8 marketed and/or sold by Defendants.

9 29. Subject to additional information obtained through further investigation
10 and discovery, the Class definition may be expanded or narrowed by amendment or
11 amended complaint. Specifically excluded from the proposed Class are business
12 entities for purposes of Plaintiff's claim for relief under the California Consumers
13 Legal Remedies Act, Civil Code § 1750, *et seq.* Also specifically excluded are
14 Defendants, their officers, directors, agents, trustees, parents, children,
15 corporations, trusts, representatives, employees, principals, servants, partners, joint
16 venturers, or entities controlled by Defendants, and their heirs, successors, assigns,
17 or other persons or entities related to or affiliated with Defendants and/or their
18 officers and/or directors, or any of them; the Judge assigned to this action, and any
19 member of the Judge's immediate family.

20 30. **Numerosity.** The members of the Class are so numerous that their
21 individual joinder is impracticable. Plaintiff is informed and believes, and on that
22 basis alleges, that the proposed class contains tens of thousands of members. The
23 precise number of Class members is unknown to Plaintiff. The true number of
24 Class members are known by Defendants, however, and thus, may be notified of
25 the pendency of this action by first class mail, electronic mail, and by published
26 notice.

27 31. **Existence and Predominance of Common Questions of Law and**
28 **Fact.** Common questions of law and fact exist as to all members of the Class and

1 predominate over any questions affecting only individual Class members. These
2 common legal and factual questions include, but are not limited to, the following:

- 3 a. Whether Defendants intentionally, recklessly or negligently authorized
4 injurious pet food to enter the market;
- 5 b. Whether Defendants failed to properly test their "cuts and gravy" style
6 dog and cat food before market entry of such food;
- 7 c. Whether Defendants intentionally, recklessly or negligently delayed in
8 instituting a recall of its "cuts and gravy" style dog and cat food;
- 9 d. Whether Defendants' recall is adequate and properly notifies
10 potentially affected consumers;
- 11 e. Whether Defendants' conduct constituted unlawful, unfair, or
12 fraudulent business practices in violation of Cal. Bus. & Prof. Code
13 §§ 17200, et seq., as alleged herein;
- 14 f. Whether Defendants have been unjustly enriched as a result of their
15 conduct, as alleged herein;
- 16 g. Whether Plaintiff and members of the Class have sustained damages as
17 a result of Defendants' conduct, and, if so, what is the appropriate
18 measure of damages; and
- 19 h. Whether Plaintiff and members of the Class are entitled to punitive
20 damages, and, if so, in what amount.

21 32. **Typicality.** Plaintiff's claims are typical of the claims of the members
22 of the Class in that Plaintiff and each member of the Class purchased "cuts and
23 gravy" style dog or cat food manufactured, distributed, marketed and/or sold by
24 Defendants.

25 33. **Adequacy of Representation.** Plaintiff will fairly and adequately
26 protect the interests of the members of the Class. Plaintiff has retained counsel
27 experienced in complex consumer class action litigation, and Plaintiff intends to
28 prosecute this action vigorously. Plaintiff has no adverse or antagonistic interests

1 to those of the Class.

2 **34. Superiority.** A class action is superior to all other available means for
3 the fair and efficient adjudication of this controversy. The damages or other
4 financial detriment suffered by individual Class members is relatively small
5 compared to the burden and expense that would be entailed by individual litigation
6 of their claims against the Defendants. It would thus be virtually impossible for
7 Class, on an individual basis, to obtain effective redress for the wrongs done to
8 them. Furthermore, even if Class members could afford such individualized
9 litigation, the court system could not. Individualized litigation would create the
10 danger of inconsistent or contradictory judgments arising from the same set of facts.
11 Individualized litigation would also increase the delay and expense to all parties
12 and the court system from the issues raised by this action. By contrast, the class
13 action device provides the benefits of adjudication of these issues in a single
14 proceeding, economies of scale, and comprehensive supervision by a single court,
15 and presents no unusual management difficulties under the circumstances here.

16 **35. In the alternative, the Class may be certified because:**

- 17 a. the prosecution of separate actions by individual Class members
18 would create a risk of inconsistent or varying adjudication with respect
19 to individual Class members that would establish incompatible
20 standards of conduct for the Defendants;
- 21 b. the prosecution of separate actions by individual Class members would
22 create a risk of adjudications with respect to them that would, as a
23 practical matter, be dispositive of the interests of other Class members
24 not parties to the adjudications, or substantially impair or impede their
25 ability to protect their interests; and/or
- 26 c. Defendants have acted or refused to act on grounds generally
27 applicable to the Class thereby making appropriate final and injunctive
28 relief with respect to the members of the Class as a whole.

1 36. Adequate notice can be given to Class members directly using
2 information maintained in Defendants' records, or through publication notice.

3 37. Defendants benefited from the sale of its "cuts and gravy" style dog and
4 cat food to Plaintiff and the Class. The benefit to Defendants can be identified from
5 the sale of such pet food to Plaintiff and the Class and that such monies can be
6 restored to Plaintiff and the Class. Such monies are the property of the Plaintiff and
7 the Class. All or a portion of this benefit retained by Defendants is money in which
8 Plaintiff and the Class have an ownership interest. Plaintiff and the Class were
9 injured and lost money as a result of Defendants' unfair, unlawful and fraudulent
10 business practices described herein.

11 **FIRST CLAIM FOR RELIEF**

12 **[Violation of Consumers Legal Remedies Act, Cal. Civ. Code § 1750, *et seq.*]**

13 38. Plaintiff hereby incorporates by reference each of the preceding
14 allegations as though fully set forth herein. Plaintiff asserts this claim against each
15 and every Defendant on behalf of herself and the Class.

16 39. Defendants are each a "person" as defined by Cal. Civ. Code § 1761(c).

17 40. Plaintiff and the proposed Class members are "consumers" within the
18 meaning of Cal. Civ. Code § 1761(d).

19 41. Plaintiff's purchase of dog and cat food manufactured, distributed,
20 marketed and sold by Defendants constitute "transactions" within the meaning of
21 Civil Code section 1761(e) and 1770.

22 42. Defendants' conduct violated and continues to violate the CLRA in at
23 least the following respects:

- 24 a. In violation of Section 1770(a)(1) of the CLRA, Defendants
25 misrepresented the source, sponsorship, approval or certification of
26 goods or services; and

1 50. Defendants knew, or should have known, that their pet food, as
2 described above, presents an unreasonable and unacceptable risk of injury or death
3 to pets, and would result in foreseeable and avoidable damage.

4 51. The losses and damages described herein were foreseeable and
5 avoidable.

6 52. Defendants' negligence proximately caused the losses and damages to
7 Plaintiff and the Class.

8 **THIRD CLAIM FOR RELIEF**
9 **[Violation of the California Unfair Competition Law,**
10 **Business & Professions Code §§ 17200, *et seq.*]**

11 53. Plaintiff hereby incorporates by reference each of the preceding
12 allegations as though fully set forth herein. Plaintiff asserts this claim against each
13 and every Defendant on behalf of herself and the Class.

14 54. Defendants' acts and practices, described herein, constitute unlawful,
15 unfair or fraudulent business practices in violation of the Unfair Competition Law,
16 Business & Professions Code sections 17200 *et seq* ("UCL").

17 55. The utility of Defendants' manufacturing, distribution, marketing and/or
18 sale of contaminated dog and cat food is significantly outweighed by the gravity of
19 the harm they impose on Plaintiff and the Class. Defendants' acts and practices are
20 oppressive, unscrupulous or substantially injurious to consumers.

21 56. The above-described unfair, unlawful and fraudulent business practices
22 conducted by Defendants present a threat and likelihood of harm and deception to
23 members of the Class in that Defendants have systematically perpetrated and
24 continue to perpetrate the unfair, unlawful and fraudulent conduct upon members of
25 the public by engaging in the conduct described herein.

26 57. Plaintiff and the Class have suffered harm as a proximate result of the
27 wrongful conduct of the Defendants alleged herein, and therefore bring this claim
28 for relief for restitution and disgorgement. Plaintiff is a person who has suffered

1 injury in fact and has lost money and property as a result of such unfair
2 competition.

3 58. Pursuant to Business and Professions Code sections 17200 and 17203,
4 Plaintiff, on behalf of herself and the Class, seeks an order of this Court: enjoining
5 Defendants from continued manufacture, distribution, marketing and sale of "cuts
6 and gravy" style dog and cat food in an unfair, unlawful and fraudulent manner, and
7 an order enjoining Defendants from collecting money from the Class from the sale
8 of pet food. Plaintiff further requests an order awarding Plaintiff and the Class
9 restitution and disgorgement of profits acquired by Defendants by means of such
10 unlawful acts and practices, so as to deter Defendants and to rectify Defendants'
11 unfair and unlawful practices and to restore any and all monies to Plaintiff and the
12 Class, which are still retained by Defendants, plus interest and attorneys' fees and
13 costs pursuant to, *inter alia*, Code of Civil Procedure section 1021.5.

14 **FOURTH CLAIM FOR RELIEF**
15 **[For Unjust Enrichment]**

16 59. Plaintiff hereby realleges and incorporates by reference all paragraphs
17 previously alleged herein. Plaintiff asserts this claim against each and every
18 Defendant on behalf of herself and the Class.

19 60. Defendants have received, and continue to receive, a benefit at the
20 expense of Plaintiff and members of the Class. Defendants have knowledge of this
21 benefit.

22 61. Defendants have charged and collected from consumers, including
23 Plaintiff and members of the Class, money for dog and cat food that endangers the
24 lives of their pets. Defendants thus have received benefits that they have unjustly
25 retained at the expense of Plaintiff and members of the Class.

26 62. As a direct and proximate result of Defendants' unlawful acts and
27 conduct, Plaintiff and members of the Class were deprived of the use of their
28 monies that was unlawfully charged and collected by Defendants, and are therefore

1 entitled to restoration of their monies.

FIFTH CLAIM FOR RELIEF
[Breach Of Express Warranty]

63. Plaintiff hereby realleges and incorporates by reference all paragraphs previously alleged herein. Plaintiff asserts this claim against each and every Defendant on behalf of herself and the Class.

64. Defendants expressly warranted that their "cuts and gravy" style pet food was suitable and safe for pet consumption.

65. Defendants also expressly warranted that "it manufacturer[s] the private-label wet pet-food industry's most comprehensive product program with the highest standards of quality."

66. Plaintiff and the Class were induced by Defendants' marketing, advertising, promotion and labeling of the pet food as suitable "food" to rely upon such express warranty, and, in fact, relied upon the untrue warranty in purchasing the recalled pet food and feeding it to their pets.

67. Plaintiff and the Class were damaged as a proximate result of Defendants' breach of their express warranty.

SIXTH CLAIM FOR RELIEF
[Breach Of Implied Warranty]

68. Plaintiff hereby realleges and incorporates by reference all paragraphs previously alleged herein. Plaintiff asserts this claim against each and every Defendant on behalf of herself and the Class.

69. Defendants are merchants under section 2-104 and 2-314 of the Uniform Commercial Code.

70. Through their marketing, advertising, promotion and labeling of their "cuts and gravy" style pet food, Defendants impliedly warranted that such pet food was fit for the ordinary purpose for which it was intended, including to safely nourish pets with risk of illness or death, pursuant to section 2-314 of the Uniform

1 Commercial Code.

2 71. Through their marketing, advertising, promotion and labeling,
3 Defendants knew that Plaintiff and the Class would purchase their pet food for the
4 ordinary purpose of providing nourishment to their pets.

5 72. Defendants manufactured, distributed, marketed, advertised, promoted
6 and sole their pet food for the ordinary purpose for which it was purchased by
7 Plaintiff and the Class.

8 73. Plaintiff and the Class relied upon Defendants' representations and
9 warranties, and purchased and used Defendants' pet food for the ordinary purpose
10 for which it was sold.

11 74. Defendants' pet food purchased by Plaintiff and the Class were unfit for
12 their ordinary purpose when sold. Such food was sold while presenting a risk of
13 risk of illness or death to pets. Defendants have accordingly breached the implied
14 warranty of merchantability by selling such unfit pet food.

15 75. Plaintiff and the Class were damaged as a proximate result of
16 Defendants' breach of warranty.

17 **PRAYER FOR RELIEF**

18 **WHEREFORE**, Plaintiff, on behalf of herself and all others similarly
19 situated, prays for judgment against Defendants as follows:

- 20 1. For an order certifying the Class under Rule 23 of the Federal Rules of
21 Civil Procedure and appointing Plaintiff and her counsel of record to
22 represent the Class;
- 23 2. For restitution, disgorgement and/or other equitable relief as the Court
24 deems proper;
- 25 3. That pursuant to sections 17203 and 17204 of the Business and
26 Professions Code, Defendants be permanently enjoined from
27 performing or proposing to perform any of the aforementioned acts of
28 unfair, unlawful and fraudulent business practices;

CLASS ACTION COMPLAINT

I. Class Action

1. Plaintiff, individually and as representative of a Class of similarly situated persons more defined below, brings suit against the named Defendant for offering for sale and **selling** to Plaintiff and Class members pet food and food products – “cut and gravy” pet products – formally **recalled** on March 16, 2007. Defendant is a corporation doing business and operating in the United States. Defendant recalled cat and dog food products that are sold under numerous brands by several national chain stores in Tennessee and other States in the United States. The pet food products were produced by Defendant(s), a private label manufacturer, labeled by the Defendant, and then distributed and ultimately sold to Plaintiff, Class Members, and others. Defendant issued or caused to be issued a press release announcing the recall, and the United States Food and Drug Administration issued a press release the same day. These pet food products were intended to be placed in the stream of commerce and distributed and offered for sale

and sold to Plaintiff and purchasers in Tennessee and the United States and fed to their pets, cats and dogs.

II. Jurisdiction and Venue

2. This Court has jurisdiction over this action pursuant to 28 U.S.C. §1332 and subsection (d), and the Class Action Fairness Act of 2005, Pub. L.109-2 (Feb. 18, 2005); and over supplemental state law claims pursuant to 28 U.S.C. §1367.

3. Venue is proper in this Court and judicial district pursuant to 28 U.S.C. §1391 and/or Pub. L.109-2 because a part or substantial part of the events or omissions giving rise to the claim occurred in this judicial district, or a substantial part of property that is the subject of the action is situated in this judicial district.

4. In this judicial district, Plaintiff purchased the recalled pet food product made by or for Defendant, and her pet ate or consumed it. Thousands of other consumers/customers – including Plaintiff and other Class Members – purchased the recalled or contaminated products in this judicial district from retailers that Defendant, its agents, affiliates, or others it or they controlled sold or made available to them. In turn, retailers or others sold these recalled products to the general public, including Plaintiff, Class members and other purchasers. These products were purchased for consumption by the pets of Plaintiff and the Class members. Defendant made or caused these products to be offered for sale and sold to the public, including Plaintiff.

5. Rule 23 of the Federal Rules of Civil Procedure applies to class actions as well.

III. Plaintiff

6. At all times material hereto, Plaintiff Lizajean Holt was and is a citizen of the State of Tennessee and the United States and resides in Knox County, Tennessee.

IV. Plaintiff's Purchase(s)/Defendant's Recall

7. Plaintiff purchased recalled brands of Pet Pride and Iams pet food from a national chain grocery store, Kroger, operating in Knox County, Tennessee. Kroger, like other retailers, did not alter the product produced by the Defendant in any way prior to selling it to Tennessee consumers and other consumers throughout the United States.

8. Without knowing that Defendants would recall the product after it was offered for sale and sold to her, Plaintiff purchased and fed the product(s) to her cat, her pet. Her pet became lethargic and began drinking large amounts of water and Plaintiff discontinued feeding the Defendant's products to her cat prior to the recall notice. Plaintiff and thousands of other consumers will now face veterinary bills to have their pets evaluated for kidney damage.

9. Before her purchase, Defendant never warned Plaintiff that the pet food product that she purchased for feeding her pet may or would cause it have health problems or concerns or that she would have to take her pet to a veterinarian due to a health concern relating to or resulting from the tainted pet food.

10. On or on about March 16, 2007, Defendant issued a recall for certain pet food for cats and dogs that it manufactured in plants that it controlled, owned, operated, or managed in the United States.

11. Defendant's business consists substantially of providing private label pet foods at its plants or pet foods under other brands, not its own. In turn, Defendant's

products are sold under a variety of labels or brands listed on its website as of March 17, 2007 and set forth below.

12. The product that Plaintiff purchased at a Kroger in Knoxville was a product recalled by Defendant.

13. After Plaintiff purchased the pet food and fed it to her cat, she learned about the recall and the actual or potential problems and concerns from purchasing and feeding the product to her pet.

14. Plaintiff bought the product(s) for their intended purposes: to feed her pet.

15. Defendant placed these pet products in the stream of commerce in Tennessee and elsewhere expecting that consumers such as Plaintiffs, the Class members, and the general public would feed these products to their pets.

Thus, each container or pouch and size of each brand or label listed – subject to the recall above – was noted specifically on its web site. Thus, a 3 ounce can or pouch of Pet Pride Pouch Mixed Grill 24 X 3 with sale by date of March 8, 2009, with a specified "UPC" number was one of about 150 separate Pet Pride labeled cat food that Defendant recalled. The other brands also generally listed numerous separate pouches or containers bearing the major private label or brand with a further sub-description similar to the manner described above, by brand or label.

23. After reports or complaints from pet owners about symptoms – such as vomiting or lethargy – suggesting kidney failure in their dogs and cats and/or after reports of deaths of certain pets, from or through its Canadian office or affiliation, Defendant caused or issued a recall of certain specified pet products, reportedly totaling between 40 and 60 million cans.

24. Defendant also advised a governmental agency of the United States about the recall and certain events leading to the recall, namely the Food and Drug Administration (FDA).

25. Defendant produces over 1,000,000,000 pouches or containers of pet food products each year, a substantial portion of which is sold or offered for sale in Tennessee or for Tennesseans who purchase the products for their pets. Many consumers who fear for the health of their pets will no longer have the product because it has been fed to the pets.

26. Defendant knows or should know that national, regional, and/or local distributors will distribute these finished pet food products that it manufactures or processes to retailers to offer them for sale in Tennessee to Tennesseans who purchase and buy them for their pets for consumption by their pets in the State of Tennessee and in this judicial district.

27. Defendant knows or understands that millions or tens of millions of cans or pouches of the pet food products that it manufactures or produces will be advertised, promoted, and sold in Tennessee and this judicial district, including a significant or substantial part of the recalled pet food.

30. Defendant makes or produces for third parties well-known, lesser known, and/or premium or discount brands or labels of pet foods and knows that customers and consumers will ultimately purchase them to feed to their pets.

31. Defendant desires that consumers and others who purchase or consider purchasing a pet food product made or produced in one of its plants, by whatever label or brand, believe that the pet food product is safe for their pets to eat.

32. In the last few days, Defendant has recalled specified pet food products that consumers and customers purchased from a time beginning about December 3, 2006 and concluding about March 6, 2007.

33. Class members and others have purchased the pet products that were recalled across the United States, in Tennessee, and in this judicial district.

34. Class members and others who purchased or fed Defendant's products to their pets did so in this judicial district, in Tennessee, and in the United States.

35. Some class members or others have already taken their pets to a veterinarian for treatment or diagnosis related to their pets eating the recalled pet food and more will do so as word of the recall spreads. For instance, the Knoxville NewsSentinel carried a prominent story about the recall and the potential dangers to the pets of East Tennessee citizens in its Sunday, March 18, 2007 edition.

36. Class members have suffered and will suffer injuries, losses, or damage as a result of the recall and/or feeding their animals the food that was recalled.

37. There have been other reported incidents of pet food being recalled as a result of possible or actual concerns or problems with the pet food and its or their effects on pets. Defendant knew or should have known about the risks and possible injury.

VI. Plaintiff, Class Members, and Others' Losses, Damages, and Injuries

38. As a result of their purchases of the pet food recalled or subject to recall, set forth above, Plaintiff, Class members, and others have suffered and will suffer a loss,

damage, injury, and sustained damages, including consequential and incidental damages, such as costs of purchasing the contaminated food product and replacing it with a safe food product, including sale tax or a similar tax, costs of making an additional trip to a retail store to purchase safe, non-contaminated pet food, the price of postage to secure a refund offered by Defendant, the cost of veterinarians, treatment, medicines and the trip(s) to make such visits for diagnosis and treatment, and otherwise.

45. Defendant failed to use sufficient quality control, to do adequate testing, to perform proper manufacturing, production, or processing, or failed to take sufficient measures to prevent the pet food products that were recalled from being offered for sale, sold, or fed to pets.

46. Defendant knew or should have known that the pet food that was recalled presented an unacceptable risk to the pets of the Plaintiff, the Class, and others and would result in damage that was foreseeable and reasonably avoidable.

47. The loss, damage, and injuries were foreseeable.

48. Defendant's negligence proximately caused the loss, damage, injury, and damages to Plaintiff, the Class, and others.
