Re: Harris v. Fish & Richardson

Dear Eric:

Following up on last week's hearing, the attorney client relationship between Scott Harris and the Niro firm began in March of 2006. I have enclosed unredacted versions of the agreements.

We are considering a motion for clarification of the ruling on Mr. Harris' cross motion. In that regard, please advise me as to whether any of the withheld documents reflect the advice which Fish admittedly gave Mr. Harris (see David Bradford's December 7, 2007 letter).

Finally, we agree that Judge Pallmeyer should conduct the mediation. Terry Truax's proposed language looks fine.

Please be advised that I will be out of town next week. Have a Happy New Year.

Very truly yours,

Paul K. Vickrey
