Yo bitch! Word is you lost on all issues with MM. HA I told you you should have left with me. Kerin is going back on his agreement to pay my legal bills that fuck got what he wanted from me and now telling me to fuck off. He knows I cant sue them because of my separation agreement, but they can't sue me either. How about if I help you in exchange for 200,000. I will tell everyone the truth and that I lied. You would have to sign somting that you can't sue me though
