A GREAT NEW JHAMPS JUST HIT THE BEACH!

Introducing Sonspot™ from Springmaid, a great new beach towel line that's going to have everybody going round in circles! These unique round towels stay put on the beach while sunbathers rotate to follow the sun. Don't expect them to stay put on their own. These towels are designed to hold up to a lot of heavy Sonspot™ activity all summer. So give us a call before the sun starts to heat up! (212) 903-2100

Introducing Sonspot™ from Springmaid, the great new beach towel line that's going to have everybody going around in circles! These unique round towels stay put on the beach while soap-sippers rotate to follow the sun. But don't expect them to stay put on the shelf. These towels are designed to move. With 7 bold designs for grown-ups and 2 charming ones for kids, we predict a lot of heavy Sonspot™ activity this summer. So give us a call before things start to heat up! (212) 903-2100
