**Telephone Account Verification**

We need you to provide a valid, working phone number so that we can verify your account.

To help enforce our terms of use, craigslist requires an account verified by phone for posting in certain categories. Terms of use violations will be subject to account suspension and blacklisting of the phone number used to verify the account.

Shortly after entering your phone number below, you will receive an automated phone call during which an authorization code will be provided to you.

Enter this authorization code on the next page, and your account will be verified.
