Herb, Provided that you file your motion for entry of a protective order within the next 14 days, we're happy to agree that Sears' deposition will be maintained as attorney's eyes only pending resolution of the protective order issue. As you know, we do not believe that any protective order is warranted here. And since we have been unable to work out a resolution of the issue, that is our position here. Regarding the deposition, we will try and organize sandwiches for the Sears deposition so that we can keep the lunch break short and wrap up the deposition in time for us to all make flights back to Chicago. Andrew

Andrew,

We have no objection to beginning Mr. Sears' deposition a bit early at 8:30 am. As to a lunch break, not knowing Seattle, a 1/2 hour may be a bit optimistic.

On another note, please confirm that Mr. Sears' deposition testimony will be maintained under the parties' current agreement as attorneys' eyes only pending resolution of the protective order issue.

We would like to be done by 3.30 . In that regard, can we start the deposition a little earlier, say 8.30am and keep the lunch break to 30 to 45 minutes? Please let me know. Andrew

Gentlemen,

For purposes of travel arrangements, do you have an estimate as to how long Mr. Sears' deposition may go on Friday?
