EDELSON MCGUIRE, LLC is a commercial litigation and legal consulting firm with attorneys in Illinois, Florida, New York, Colorado and California. The firm has several primary practice groups: plaintiffs' class action litigation (with a particular emphasis on technology cases), e-discovery and information technology, general commercial litigation and legal and political consulting.

Our attorneys have been recognized as leaders in these fields by state and federal legislatures, national and international media groups, the courts, and our peers. Our reputation for leadership in class action litigation has led state and federal courts to appoint us lead counsel in many high-profile class action suits, including the recent Thomas the Tank Engine lead paint class actions, the AT&T mobile content class actions, the home equity credit reduction cases, and privacy class actions involving T-Mobile, Facebook, and Netflix. We have testified before the United States Senate on class action issues and have repeatedly been asked to work on federal and state legislation involving cellular telephony, privacy and other issues. Our attorneys have appeared on dozens of national and international television and radio programs to discuss our cases and class action and consumer protection issues more generally. Our attorneys speak regularly at seminars on consumer protection and class action issues, lecture on class actions at law schools and are asked to serve as testifying experts in cases involving class action and consumer issues.

PLAINTIFFS' CLASS AND MASS ACTION PRACTICE GROUP

EDELSON MCGUIRE is a leader in plaintiffs' class and mass action litigation, with a particular emphasis on technology class actions, and has been called a "class action 'super firm'" by a national organization. (Decalogue Society of Lawyers, Spring 2010.) As has been recognized by federal courts, our firm has an "extensive histor[y] of experience in complex class action litigation, and [is a] well-respected law firm[] in the plaintiffs' class action bar." *In re Pet Food Prod. Liab. Litig.*, MDL Dkt. No. 1850, No. 07-2867 (NLH) (D.N.J. Nov. 18, 2008). A leading arbitrator concurred: "The proof of [the firm's] experience, reputation, and abilities is extraordinary. . . . Each [of their cases] elaborates on the experience and unique success [they] have had in achieving leading roles in the area of 'technology consumer protection class actions.'" (Arbitration award in mobile content class action settlement, August 6, 2009) In appointing Edelson McGuire interim co-lead in one of the most high profile cases in the country, a federal court pointed to our ability to be "vigorous advocates, constructive problem-solvers, and civil with their adversaries." -*In Re JPMorgan Chase Home Equity Line of Credit Litig.*, No. 10 C 3647 (N.D.Ill, July 16, 2010).
