

name is Beth Bungarner coordinator of the Aurora Library. Beth Bungarner yells out to me stating if the Plaintiff speak to any one else in this Library she would suspend the Plaintiff for 90 days from this Library. The Plaintiff at nor her and kept walking out the door and the Security Guard spoke to the Plaintiff and stated have a good day. The next day over the phone Beth Bungarner made her decision to suspend the Plaintiff for 90 days.

ARGUMENT

The Library has rules and regulation that the cities must follow for the use of the Library. The rules that cause a citizen to lose their rights of use of the Library for any suspension and / or banded from the Library as follow:

1. After being warn for drinking or eating in the Library.
2. A citizen gets caught stealing from others in the Library and/or from the Library.
3. A citizen does not pay for books, movies, and C D that was not return to Library.
4. A citizen warn for sleeping in the Library.
5. A warn for disturbing others in the Library with loud talking and been warn.
6. And/or disrespecting a staff member.
7. Fighting, or threaten any staff member or any one visiting the Library.

The Plaintiff argue the facts against this Library for suspending the Plaintiff for 90 days and banding the Plaintiff from the Library property, with no legal violation of Library rules and regulation. The Plaintiff is on disability and has a metal disorder; the Plaintiff is a Post Vietnam Veteran, in which the Plaintiff put his life on the line against communists concerning the Vietnam War. The Plaintiff served in the United States Marine Corps from 1973 to 1975. The South Vietnam gave up their country to the North, and came to this country in 1974. The Vietnam is one whole communist

country now. Alex stated, he was from North Vietnam, in which mean he is from a Communist country. The Plaintiff argue the facts that he was banded and suspended from this Library on Veteran Day. The Plaintiff argue the facts that the Library refusing to help the Plaintiff that was seeking help from a staff member, instead suspending the Plaintiff for seeking help. The Plaintiff argue the fact against the Library for supporting a staff member for a scholarship that from a communist country and refusing to help a Marine Corps veteran and a disable citizen. The Plaintiff argue the facts that the decision the Library made is a violation of the civil rights.

Plaintiff rights that was violated of the use Library as follows:

1. Violation of the civil right for use of the Library and seeking help
2. Violation against the Plaintiff disability for seeking help

CONCLUSION

COME NOW the Plaintiff JUYRONE M. MCCLENDON, Pro-se pleading to the court in the favor of the Plaintiff for 1.5 million dollar, under the Disability Act of 2008 and Civil Right Act of 1939.
