Subject: Re: Huon v. Breaking Media

I tried calling you. I don't think you understand the Court's order. I object--see my objection. My understanding is the Court was ordering the Defendants to file a 15 page "Summary".

Mr. Huon,

The Above The Law Defendants' reply brief is due to be filed today. We intend to file a motion for extension of time until next Wednesday, Dec. 21. May we indicate that you do not oppose the requested extension?

Thank you.
