you know, i really dislike this man as much as the next (maybe even more given that he tarnishes the repete of my profession) BUT he WAS acquitted, meaning you could have at least used "Alleged" before the rapist acquitted. if anyone deserves to be sued for defamation...

"Acquitted Rapist Sues Blog For Calling Him Serial Rapist"

WTF? Last time I checked, when a person is acquitted, he is legally not guilty. It doesn't matter if you like it or not - he went through the same processes that we're all subject to.

If I were writing a blog post about a blog getting sued for multiple millions of dollars over incorrectly labeling a person a rapist, I would be pretty damn careful not to incorrectly label him a rapist myself. Apparently Jezebel feels differently.
