### "Acquitted Rapist Sues Blog For Calling Him Serial Rapist"

WTF? Last time I checked, when a person is acquitted, he is legally not guilty. It doesn't matter if you like it or not - he went through the same processes that we're all subject to.

If I were writing a blog post about a blog getting sued for multiple millions of dollars over incorrectly labeling a person a rapist, I would be pretty damn careful not to incorrectly label him a rapist myself. Apparently Jezebel feels differently.
