## Law Firm Partner Allegedly Threatened to Whip Secretary for Being a 'Bad Girl'

By STACI ZARETSKY

Has anyone seen that movie [Secretary](#)? It's about a law firm love affair — woman gets released from mental hospital, gets a job as a legal secretary, and enters into a BDSM relationship with her boss. Pretty standard, really, because you'd have to have some sadomasochistic tendencies to willingly subject yourself to a partner's whims on a daily basis.

As some of you know (admit it, you do), when these illicit law firm relationships occur, they're usually only discussed in secret behind closed doors. But when one of the those allegedly involved is an unwilling participant, it's just a hop, skip, and a jump away from allegations of sexual harassment in the workplace, and your darkest sexual proclivities will be revealed for all the world to see.

## Conservative Law Professor Who Sued School Busted For Drinking And Idling

By ELIE MYSTAL

Personally, I think it would be more dangerous for Teresa Wagner to get drunk and file a lawsuit than it is for her to do what she's charged with doing a couple of days ago.

Wagner has sued Iowa Law School for First and Fourteenth Amendment violations. [We've talked about her](#) because she argues that Iowa Law didn't hire her as a faculty member because of her conservative views.

Iowa Law claims that she wasn't hired because she wasn't qualified.

Iowa City Police allege that she wasn't very conservative when it came to drinking and then driving a few blocks from her home....
