WORK REGISTRATION TERMS

This registration is accepted subject to all the warranties as to authorship and/or ownership of the publisher's share of performances rights set forth in the applicable contracts between BMI and the writer(s) and publisher(s) claiming rights in the work.

BMI reserves the right to exclude the work in its entirety from the provisions of our agreements with the writer(s) and publisher(s) and to withdraw the registration if BMI in its sole judgement regards the work as a possible infringement of another work.

We bring to your attention that in the event a registration form submitted does not properly indicate in the space provided therefore that a work is based on public domain source, we reserve the right, if at any time such work is found to have a public domain source, to allocate to such work a percentage of the normal logging credit or, in the case of a work having little or no original material, to give no logging credit to such work.
