If another Person has superior knowledge of the information requested in a specific Interrogatory, that other Person should respond to that Interrogatory and be so designated. If such Person is unavailable, that Person should be fully Identified and the nature and scope of their knowledge and the reasons that such Person's knowledge is or is believed to be superior, explained fully.

2. In responding to these Interrogatories, furnish all information, however obtained, including hearsay that is available to You and any information known by You, or that is within Your possession, custody or control.

3. These are intended as continuing Interrogatories, having within them a duty to timely supplement Your responses until and during the course of trial. Information sought by these Interrogatories that You obtain after You serve Your responses hereto must be disclosed to Plaintiffs by supplementary responses.

4. It is intended by this set of Interrogatories to elicit information not merely within Your knowledge, but obtainable by You or on Your behalf.

5. You may not claim lack of information or knowledge as grounds for failing to respond to any Interrogatory or as grounds for giving an incomplete or partial response to any Interrogatory without exercising due diligence to secure the full information needed to respond. Where You rely or respond based on information provided to You from any other Person, fully Identify that Person and how You obtained the information from them. Where You rely on information in any Document, specifically Identify the Document and Identify the Person who has custody of that Document.

6. If You cannot respond to an Interrogatory in full after exercising due diligence to secure the full information needed to do so, so state and respond to the extent possible, specifying Your inability to respond to the remainder, stating whatever information or knowledge You have concerning the un-responded to portion and detailing what You did in attempting to secure the unknown information.

7. Documents are to be produced in the folders, cartons, or containers in which they have been maintained, stored, clipped, stapled, or otherwise arranged in the same form and manner in which they were found and in such a manner that the office and location from which they were produced is readily identifiable. before the same is produced, attach thereto a copy of the label on the file folder, file box, or notebook from which the Document or group of Documents was removed. All ESI should be produced in native format, reasonably usable, and verifiably responsive to the pertinent request(s) and processable using readily available tools.

12. As used herein, the present tense shall also include the past tense.

13. For any term used herein, which is not otherwise specifically defined, the common and usual meaning of such term is intended. Any ambiguity in these Interrogatories shall be resolved so as to construe these Interrogatories as broadly as possible.

14. When these Interrogatories refer to a “specific location,” they contemplate a level of detail that would allow counsel to independently locate an item without significant assistance. Thus, when these Interrogatories request the specific location of digital Media, an acceptable answer might be “in Bill Johnson’s office, at 123 Main Street, Suite 100, New York, NY 10000.”
