As to Request to Produce #3, Plaintiff Dunstan is ordered to submit the relevant hard drive for inspection by a forensic expert. The court will enter a protective order specifically restricting Defendant's computer forensic expert on the information he/she may share with Defendant. Defendant is to designate an expert and submit his/her name and address to the court along with any comments about the draft protective order by October 22, 2013. The court will do its best to issue a protective order by October 24, 2013, so that Plaintiffs may deliver Plaintiff Dunstan's hard drive by October 25, 2013, and Defendant's expert can complete the required inspection by November 1, 2013.
