Tom Cushing (who you met in Chicago and cc-ed above) will help set up the access to the data. Ray, will facilitate the time and process too. On response date, given how slammed Whitty and I have been is Nov 4 ok? I will leave to others the logistics of getting you the customer list the court ordered by provided under AEO protection. Thanks.

Mike,

How much time do you want to respond to the complaint? Also, can your team work with Chandler Givens of our firm to get him access to the database, as discussed in court today? Finally, please let us know how we are getting the hard copy list of comScore customers who are receiving notice from comScore?
