IN THE CASE OF
JERRY H. ALSTON

WVA 458 10/1

Victim
of US V Admin
Widow's Pension
for 10 years

Based on 1994 income totaling \$15,170.00, action taken to terminate benefits effective February 1, 1994 and debt of \$18,571.00 created. In a July 1998 letter from the appellant mailed from India, she requested that her benefits be resumed.

On a VA Form 21-0518-1, Improved Pension Eligibility Verification Report, received in September 2003, the veteran indicated that she was partly disabled due to a car accident in June 1993 in New York City.

The appellant did not respond to VA letter dated in December 2003, which due to income reporting discrepancies in her file, requested her to obtain a statement from the Social Security Administration of her income from October 1, 2002.

As a result of a June 2005 Board remand another audit was conducted of the appellant's VA widow's pension benefits from February 1, 1994 to July 30, 1997, which indicated an overpayment was created in the amount of \$18,571.00.

A letter was sent in August 2005, requesting that the appellant complete and return a VA Form 5655, Financial Status Report. The VA Form 5655 that was returned was incomplete as it did not provide the amount of the appellant's monthly income.

VA law provides that recovery of overpayment of any benefits shall be waived if there is no indication of fraud, misrepresentation, or bad faith on the part of the person or persons having an interest in obtaining the waiver and recovery of the indebtedness from the payee who received such benefits would be against equity and good conscience. 38 U.S.C.A. § 5302; 38 C.F.R. § 1.963(a). The standard "Equity and Good Conscience" will be applied when the facts and circumstances in a particular case indicate a need for reasonableness and moderation in the exercise of the government's rights. The decision reached should not be unduly favorable or adverse to either side.

Dear Sir or Madam:

This is a final revocation letter as to your exempt status under section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service's recognition of your organization as an organization described in section 501(c)(3) is hereby revoked effective July 1, 2006.

We have made this determination for the following reasons:

You have not demonstrated that you are operated exclusively for charitable, educational, or other exempt purposes within the meaning of L.R.C. section 501(c)(3). Organizations described in L.R.C. section 501(c)(3) and exempt under section 501(a) must be organized and operated exclusively for an exempt purpose. You have provided no information regarding your receipts, expenditures or activities. You have not established that you have operated exclusively for an exempt purpose.

As such, you failed to meet the requirements of L.R.C. section 501(c)(3) and Treas. Reg. section 1.501(c)(3)-1(d) in that you failed to establish that you were operated exclusively for an exempt purpose.

Contributions to your organization are no longer deductible under section 170 of the Internal Revenue Code.

You are required to file Federal income tax returns on Form 1120. These returns should be filed with the appropriate Service Center for the year ending June 30, 2007, and for all years thereafter.

Processing of income tax returns and assessment of any taxes due will not be delayed should a petition for declaratory judgment be filed under section 7428 of the Internal Revenue Code.

If you decide to contest this determination in court, you must initiate a suit for declaratory judgment in the United States Tax Court, the United States Claim Court, or the District Court of the United States for the District of Columbia before the 91st day after the date this determination was mailed to you. Contact the clerk of the appropriate court for the rules for initiating suits for declaratory judgment.

You also have the right to contact the office of the Taxpayer Advocate. However, you should first contact the person whose name and telephone number are shown above since this person can access your tax information and can help you get answers.

You can call 1-877-777-4778 and ask for Taxpayer Advocate assistance. Or you can contact the Taxpayer Advocate from the site where the tax deficiency was determined by calling 518-427-5413, or write:

Local Taxpayer Advocate
Leo O'Brien Federal Building
1 Clinton Square
Albany, NY 12207

Taxpayer Advocate assistance cannot be used as a substitute for established IRS procedures, formal appeals processes, etc. The Taxpayer Advocate is not able to reverse legal or technically correct tax determinations, nor extend the time fixed by law that you have to file a petition in the United States Tax Court. The Taxpayer Advocate can, however, see that a tax matter that may not have been resolved through normal channels gets prompt and proper handling.

We will notify the appropriate State Officials of this action, as required by section 6104(c) of the Internal Revenue Code.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Processing of income tax returns and assessment of any taxes due will not be delayed should a petition for declaratory judgment be filed under section 7428 of the Internal Revenue Code

If you decide to contest this determination in court, you must initiate a suit for declaratory judgment in the United States Tax Court, the United States Claim Court, or the District Court of the United States for the District of Columbia before the 91st day after the date this determination was mailed to you. Contact the clerk of the appropriate court for the rules for initiating suits for declaratory judgment.

You also have the right to contact the office of the Taxpayer Advocate. However, you should first contact the person whose name and telephone number are shown above since this person can access your tax information and can help you get answers.

You can call 1-877-777-4778 and ask for Taxpayer Advocate assistance. Or you can contact the Taxpayer Advocate from the site where the tax deficiency was determined by calling 518-427-5413, or write:

Local Taxpayer Advocate
Leo O'Brien Federal Building
1 Clinton Square
Albany, NY 12207

Taxpayer Advocate assistance cannot be used as a substitute for established IRS procedures, formal appeals process, etc. The Taxpayer Advocate is not able to reverse legal or technically correct tax determinations, nor extend the time fixed by law that you have to file a petition in the United States Tax Court. The Taxpayer Advocate can, however, see that a tax matter that may not have been resolved through normal channels gets prompt and proper handling.

We will notify the appropriate State Officials of this action, as required by section 6104(c) of the Internal Revenue Code.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Jackie R. Quinn

history... Question
Why are many Americans opposed to free medical care?
I'm no expert on US internal politics but it seems that there is great opposition to the US adopting a 'European' style
National health service, like what we have in Britain, surely socialised medicine for all is a good thing and it keeping with
the American dream? When I was over in the US I was amazed at the overpricing and corruption of their health insurance
companies... not that the UK version is clean either, just better.

Roy, Kamel, AKA Joseph Geronimo AKA Roy, Karuna has a work related neck injury with chronic headache, neck and back pain dating to a work related motor vehicle accident that occurred on 2/26/93. We have received communication however indicating that this case was closed and there is no open case any further. All further care therefore is being treated as an unrelated to the above alleged accident. This comp information is provided for informational purposes only.

Interval History:

Mr. Roy is seen today for recheck. Once again I would note that we are seeing him primarily because of the spasticity relating to his stroke and not anything relating to the above accident. At his request we continue to file reports with the compensation board and the carrier but our fee is being sent to his Medicare.

Since the last visit he did have an MRI done of brain. It shows multiple old infarcts but no acute intracranial pathology. There was concern about progressive sinusitis for which he is urged to follow up with Dr. Kilbourne. He is scheduled to see Dr. Kilbourne later this week and I have urged him to discuss the flank in his sinuses at that time. On questioning he does have some occasional frontal pain mostly in the forehead area.

He has completed about two thirds of his scheduled physical therapy and does feel that he has gained a little bit in strength and mobility but certainly has not been a dramatic change.
