LIVE WIRE
(Music/Lyrics N. Sixx)

Plug me in
I'm alive tonight
Out on the screen again
Turn me on
I'm too hot to stop
Something you'll never forget
Take my fist
Break down walls
I'm on the top tonight
(Chorus)
No, no
You better turn me loose
You better set me free
Cause I'm hot, young, running free
A little bit better than I use to be.
(Chorus)
Cause I'm alive
Live wire
Cause I'm alive
I'm a live wire
Cause I'm alive
Live wire
Cause I'm alive
I'm a live wire
I'll either break her face
Or take down her legs
Get my ways all wild
Go for the throat
Never let loose
Guns' in for the kill
Take my fist
Break down walls
I'm on top tonight
(Pre Chorus) (Chorus)
Come on baby
Gotta play with me
Well I'm your live wire
You better lock your doors
I'm on the prowl tonight
Well be mine tonight
(Chorus)
Come on be my baby
Come on tonight
Come on love me baby
Come on tonight
I'll give you everything
I want inside
Plug me in, plug me in
I want you
Come on tonight

MERRY-GO-ROUND
(Music/Lyrics N. Sixx)

(1)
You know he's gotta get away
To the merry-go-round and round
Count times that he laid awake
at night thinkin'
Am I goin' down now
Am I goin' down
Am I goin' down now, oh!
(2)
It's not easy puttin' on a smile
You're alone, lost and found
She waits at home just to love him
through the night thinkin'
He's been gone so long now
Is he comin' home?
He's been gone so long now, oh!
(Chorus)
Merry-go-round and round (repeat)
(1) (Chorus) (Chorus)
She waits alone
Just to love him through the night
I'm coming home babe

PUBLIC ENEMY #1
(Music/Lyrics N. Sixx, L. Grey)
You and me
We're gonna escape tonight
On the run

Under the moonlight
Don't think about nothin'
Don't think about nothin'
Tragedy
Runnin' the red light
Hear the screams
Another one dies tonight
Don't think about nothin'
(Pre Chorus)
Do you know how it feels
To be wanted
Do you know how it feels
To be wanted
Do you know how it feels
To be wanted
To be under the gun
On the run, havin' fun
When you're young
You're so young
When you're young
(Chorus)
Public enemy #1
Oh yeah
I'm public enemy #1
Oh yeah
I'm public enemy #1
Oh yeah
Climbin' high
Fast as the speed of sound
Lossin' dreams
Crashin' to the ground
Don't think about nothin'
Don't think about nothin'
You and me
Under the gun tonight
On the run
We're lost in the time light
Don't think about nothin'
Because we're gonna get crazy
(Pre Chorus) (Chorus) (Chorus)
Public Enemy #1
Hey—Hey—Hey

TAKE ME TO THE TOP
(Music/Lyrics N. Sixx)

Don't you know, know, know
It's a violation
I tell her you saying
Such a perfect, perfect night
No, no, no fight all temptation
Well, in a black heeled alley light
I'm screaming
Take me to the heights tonight
Take me to the top... (repeat)
Top many times
Victim accusation
No, you don't have to take it like
that
A sheer, sheer heart attack
No, no, no it's no realization
I never had a way with you
But I still hear you saying
Take me to the top
Take me to the top... (repeat)
Take me to the top... (repeat)
Take me to the top... (repeat)

PIECE OF YOUR ACTION
(Music N. Sixx/Lyrics V. Neil, N. Sixx)

(1)
I want you, I need you
I want you to be mine tonight
You need me, you tease me
Use you up, throw you away
You're fire, taking me higher
Don't burn me, don't let me down

You need me now, I'll teach you
how
Come on and go all the way
(Chorus)
Get a piece of your action
ah ah
Get a piece of your action
ah ah
(2)
Tight action, rear traction
So hot, you really blow me away
Fast moving, wet and ready
The time is right, so hold on tight
Live wire, night prowler
Lay back and take me inside
You need me now, I'll teach you
how
Come on let's go all the way
(Chorus) (1) (Chorus)

STARVY EYES
(Music/Lyrics N. Sixx)

When she laughs
She's got the power of a child in
her eyes
And when you cry now
She'll hold you like a man's
supposed to be held
I can't get into words how I feel
Get it right in this song now
I had to set her free
Needed a friend
Come back to me
Oh starry eyes
Oh, oh (repeat)
Standing alone in the light
You could see her cry
With a smile and a wink
And a sparkle in her eyes
She calmly smiled, I will be alright
Okay child you've had to take the
pain
O a man in the streets
You gotta let me in
Needed a friend
Even just for one night
Oh, oh, oh no
Oh, starry eyes
Oh, oh (repeat)
Oh, oh, oh no
Oh, starry eyes
Oh, oh (repeat)

STICK TO YOUR GUNS
(Music N. Mars, N. Sixx/Lyrics
N. Sixx)

Get a grip on yourself
Get in shape for tonight
Take a hold of yourself
Are your dreams losing sight
It just ain't right
It just ain't right
(Pre Chorus)
Hey man, look at me
I'm screaming
Are you watching me bleed
Are you believing
(Chorus)
You got to stick to your guns
What's right for you
Ain't right for everyone
It ain't right for everyone
(Chorus)
Too much, too soon
Too much for you
Every day has a hero
Don't let go, don't let go
Well you got to fight
It just ain't right
(Pre Chorus) (Chorus) (Chorus)
Come on boys
(Pre Chorus) (Chorus) (Chorus)
Come on love

COME ON AND DANCE
(Music/Lyrics N. Sixx)

(1)
Took my love
Into overdrive
Custom pink
Tonight you'll pay the price
When she's hot
Well, damn she's hot
Electric love
Like Sandra Dee
Should have seen her dance
(Chorus)
Come on and dance
Come on baby
Come on and dance
(2)
Fast and slick
Wasn't she cool and clean
In a prepat sheen
She's a leather tosse
When she's on top
Well, you can't be stopped
Watch her scream
Watch her suck you clean
And you should've seen her dance
Come on— and
Come on and dance
(Chorus) (1) (Chorus)
You should've seen her dance
Come on— and
Come on and dance

TOO FAST FOR LOVE
(Music/Lyrics N. Sixx)

When you're young and crazy
Life goes on
When you're young and crazy
Goes on and on and on
You're too fast for love
You're too fast for love
You're too fast for love
You're too fast for love
Oh, no, oh no
Oh, no, oh no
Living on a jet
Making love to someone else's
dreams
Say it again
She puts her leg up
Well, calls it good luck
Do you know what I mean?
Do you remember?
Well I remember
Oh, no, oh no
Oh, no, oh no
Dream machine
So damn cold she can turn on the
night
Say it again
Well, the more that she needs
Do you know what I mean?
Do you remember?
Well I remember
Oh, no, oh no
(Chorus)
Too fast
Too fast for love
Too fast
You're too fast for love (repeat)
Oh, no, oh no
She's a streamline queen
On a sex crazed movie screen
Say it again
She'll use her time up
I have nothing to show
Well mark my words
Do you remember?
Well I remember
Oh, no, oh no
(Chorus)
Oh, no, oh no
You're too fast for love.

OH WITH THE SHOW
(Music N. Sixx/
Lyrics V. Neil, N. Sixx)

Frankie died just the other night
Some say it was suicide
But we know
How the story goes
With his six string knife
And his street wise pride
The boy was a man before his time
And she knew
All their dreams would come true
But ya see, Frankie was fast
Too fast to know
He wouldn't go slow
Lived his lethal dose
And she knows
He's finally come too close
(Chorus)
Well, on with the show
Going on with the show
Come on baby
Mia, no
Oh my, my, my... (repeat)
He was bad
He was never good
But one thing that he understood
And she knew
All those lies would come true
The time has come and
He's paid his dues
Surrey finally got the news
She always knew
This day would come soon
(Chorus) (Chorus)
He was stopped on a dime
With a switchblade knife
Some damn punk went and
Took Frankie's life
And she knew
She'd have to pull through
Broken down, with his broken
dreams
With a wink of an eye
Sold Surrey, listen to me
You must go
On with the show
Go on with the show
Going on with the show
Come on baby
Hi, no
Oh my, my, my... (repeat)
Oh baby
