MEMORANDUM ORDER

This Court has just received a totally unintelligible Notice of Motion filed by Terry Myers ("Myers") (lest that "unintelligible" characterization might be thought of as hyperbolic, a copy of the filing is attached as Ex. 1). Because the case number, though scrawled, is legible, it has been possible to identify this as a previously terminated bankruptcy appeal by pro se debtor Myers, in which dismissal was ordered on August 24, 2012 because she had failed to comply with an August 6 memorandum issued by this Court.

Under the circumstances the current filing (if it can be called that) is stricken.

Senior United States District Judge
