

**SUPPLEMENTAL AFFIDAVIT OF ELIZABETH L. ROWE**

COUNTY OF COOK            )  
                                          ) SS  
STATE OF ILLINOIS        )

I, **Elizabeth L. Rowe**, of full age, being duly sworn on my oath, hereby depose and say as follows:

1. I am an attorney admitted to the General Bar of this Court and the State of Illinois.

2. Since March 2014, I have been an associate in the firm Dowd, Bloch, Bennett, Cervone, Auerbach & Yokich ("Firm"), where I practice exclusively in the areas of labor, employment, and employee benefits law. In my position at the Firm, I represent the Plaintiffs in Case Number 14-cv-9592.

3. This affidavit is based on my personal knowledge and, if necessary, I could testify to the facts contained in this affidavit.

4. The rate which the Firm charged the Funds through August 31, 2016 was \$240.00 per hour for partners' work; \$175.00 per hour for work completed by me and other associates; and \$90.00 per hour for law clerks' work. The rate at which the Firm has charged the Funds since September 1, 2016 is \$300.00 per hour for partners' work; \$225.00 per hour for work completed by me and other associates; and \$100.00 per hour for law clerks' work. I believe these rates are reasonable in light of the Firm's experience and the nature of the case.

5. Through May 2, 2017, the Firm has devoted a total of 200.75 billable hours to the representation of the Local No. 731, I.B. of T., Private Scavengers Health and Welfare Fund and the Local No. 731, I.B. of T., Private Scavengers and Garage Attendants Pension (collectively,

**Exhibit A**

“Funds”) in connection with this case.

6. Based on the above rates and 200.75 hours of work through May 3, 2017, the Funds have incurred attorneys’ fees of \$38,288.17 related to this case.

7. The Final Judgment Order entered in this case on April 3, 2015 awarded the Funds \$11,308.60 for attorneys’ fees and costs incurred by the Funds with respect to this lawsuit.

8. Since April 3, 2015, the Funds have incurred attorneys’ fees for work including preparing citations to discover assets of the Defendants, preparing for and taking the citation deposition of the Defendants, preparing forty-five third-party citations and numerous follow up conversations with third-party citation respondents, preparing five motions for turnover orders, and communications with Defendants in efforts to obtain their cooperation and compliance with the judgment.

9. In addition to attorneys’ fees, the Funds have incurred costs in the amount of \$2,720.92 comprised of \$400.00 in filing fees, \$905.00 in service fees, \$783.55 in postage and shipping costs, \$434.55 in photocopying and document production expenses, \$140.00 in court reporter fees, and \$57.82 for research fees.

10. Attached as Exhibit 1 are invoices for this case through May 3, 2017, reflecting total attorneys’ fees of \$38,288.17 and costs of \$2,720.92 related to this case, which have been or will be billed to the Funds.

11. Since May 3, 2017, the Firm has devoted an additional 9.1 hours to resolving this case, including reviewing, revising, and supplementing this affidavit, the motion for a supplemental judgment, drafting and revising a fifth motion for a turn over order and the proposed judgment orders, electronically filing those documents, and submitting the proposed judgment orders.

12. Consequently, the Funds have incurred an additional \$2,047.50 in attorneys' fees for services provided from May 3, 2017 through the date this affidavit is filed.

13. I anticipate that, after filing the motion for a supplemental judgment and related documents and submitting the proposed judgment order, I will devote at least three additional hours to this case, in preparing for and attending the hearing on the motion, examining any orders that the Court may enter, and informing my clients and the Defendant of the results.

14. The Funds will therefore incur an additional \$675.00 in attorneys' fees for services provided after the date this affidavit is filed.

15. Accordingly, the amount of attorneys' fees and costs and fees incurred by the Funds as a result of this action, less the \$11,308.60 in attorneys' fees and costs included in the Final Judgment Order previously entered by the Court, will be \$32,422.99 as follows:

| <b>TOTAL OWED:</b>                    | <b>\$32,422.99</b> |

I have read the foregoing affidavit and swear that it is true and correct to the best of my knowledge, information, and belief.
