North District Illinois

6 TIMOTHY RHOADS,
7 Plaintiff,
8 vs.
9 GONZALEZ
10 Defendant,

Case No.: 1:16-cv-07621

DEMAND

11
12 Your Honor,

13 This demand is only for James Gonzalez involvement in this case and no other party. Recap is below:

- 14 1. James Gonzalez Harrassed a person filing a complaint \$100,000

15 Threatened me on the phone "if I have you in cuffs and I beat your ass what do you call it?" I responded "exces-
16 sive force" he responded are you threatening me?" " I'm coming to your house you better be on your fucking
17 front porch".

- 18 2. James Gonzalez obstructed justice 50,000

19 James' job was to properly investigate the complaint he never called me to ask what my side of the story was
20 but he had a lot of conversations with the bar. Listened to their lies and agreed with them. They provided him
21 only a portion of video that is available for the night. You would have seen had you done a proper investigation
22 that I defended myself and 5 minutes before that I was having a blast for my birthday. Now I have permamant
face and nerve damage and PTSD, anxiety and depression. My medication has doubled and I had to go to the
hospital for 5 days. Great job.

- 23 3. James Gonzalez perjured himself 100,000 color of law infraction

24 Anything James wrote to get a case against me is deemed perjury.

- 25 4. James Gonzalez withheld evidence from complainant 25,000

26 Did not inform me there was a video, show me a video or even touch base about my complaint. FOIA re-
27 quest has still not been complied with.

- 28 5. James Gonzalez coerced officers 100,000 color of law infraction

DEMAND - 1

1 James to be a tenured supervisor on the detective level and socially manipulated his officers into believing
2 that he felt threatened through a phone line. And that he needed to use departmental resources in excess of
3 8 officers and three cars to come arrest someone who posed no threat at their house.

- 4
5 6. James Gonzalez civil rights violations 100,000 color of law infraction

6 Illegal arrest. Officer put cuffs on me and restricted my blood flow. Detained me for 7 hours. Had to walk
7 home.

- 8 7. James Gonzalez assault 50,000

9 Officer cupped my ass and let it rest an uncomfortable amount of time while the other officers were not
10 paying attention. Then shoved me in the car and slammed the door in my face. No air conditioning in the
11 middle of summer. When he shoved me in the car he pressed his fat nasty sloppy out of shape body against
12 me and breathed in my face.

- 13 8. James Gonzalez detainment $\$600 \times 8 = \$4,800$

14 Detained me for 7 hours while he figured out what charges he wanted to file. Coerced someone into signing
15 off on these charges.

- 16 9. James Gonzalez frivolous lawsuit \$100,00 color of law infraction

17 Charges were frivolous and meant to intimidate me. I missed 4 days of work due to the stress.

- 18 10. James Gonzalez improper investigation by a detective 50,000

19 James had a video tape which clearly shows me to his words "flaingly around like a faggot". It shows me
20 defending myself from 4 perpetrators who still have not had charges pressed on them. Being a handicapped
21 citizen and handling myself flawlessly I would have thought seeing this on tape would have worked in my
22 favor.

- 23 11. James Gonzalez tressepassing – \$50,000

24 Forced himself onto my property with delusional probable cause and coercion.

25 Hospitalization - \$20,000

26 Counseling \$5000

27 Total Settlement Damages requested: \$754,800

28
29 Thank you for very much for your consideration in this complicated matter.
