CASE MANAGEMENT ORDER NO. 25

**LIFTING RESPONSIVE PLEADING STAY IN ALL CASES AND RESOLVING
PENDING MATTERS IN CERTAIN CASES THAT WERE SUBJECT TO
PREVIOUSLY ENTERED RESPONSIVE PLEADING STAY(S)**

Herndon, Chief Judge:

I. Vacating Responsive Pleading Stay(s)

On September 12, 2012, the Court issued an order staying all pending motions, including responsive pleading deadlines (12-md-2385 Doc. 25). The Court

¹ Section I of this Order, Vacating Responsive Pleading Stay(s), is applicable to all cases. Section II of this order is applicable to those cases specifically identified in section II. To ensure there is no confusion regarding the resolution of motions and issues identified in section II, this Order shall be docketed in the Master Case File and additionally in the individual member actions listed in section II.

has also issued responsive pleading stays in individual member actions for motions filed after September 12, 2012 (See 12-cv-60024-DRH-SCW Doc. 24; 12-cv-60091 Doc. 17). The parties have had an opportunity to confer regarding this matter and the Court has determined that the responsive pleading stay is no longer necessary. Accordingly, the Court hereby vacates any and all responsive pleading stays previously issued. All pleadings filed after entry of this order will be subject to the applicable responsive pleading deadlines provided for in the Federal Rules of Civil Procedure, the Local Rules of this Court, and orders entered by the Undersigned Judge.

The Court reminds the parties that that **when deadlines provided by CM/ECF conflict with orders of this Court, the Court ordered deadline will always control.** See United States District Court for the Southern District of Illinois, Electronic Filing Rules, Rule 3 (The “filer is responsible for calculating the response time under the federal and/or local rules. The date generated by CM/ECF is a guideline only, and, if the Court has ordered the response to be filed on a date certain, the Court's order governs the response deadline.”). The deadlines provided by CM/ECF are generated automatically based on the generic responsive pleading times allowed under the rules and do not consider special circumstances (such as court orders specific to a particular case or issue).
