MOTION FOR Judges Financial disclosure Forms
MOTION FOR Judge Recusal under 28 USC 455(A)(B)

Comes Now the Plaintiff Jonathan Lee Riches[©], copyrighted since 1994, d/o/a "The White Suge Knight", in pro-se, Praying and respectfully moving this Honorable chief Judge to issue an order Compelling the release of the presiding Judges Yearly financial disclosure forms to Plaintiff to analyze for financial conflicts of interest that the Judge has regarding this case. Plaintiff's 6th amendment rights are currently being violated. Also the 1st, 4th, 5th, 6th, 7th, 8th, 14th Constitutional amendments.

†

This story begins with the thorough understanding of the First amendments long standing cornerstone protection "Freedom of Speech". As Lord Mansfield once said, "Give me freedom or Give me Death!"

It Bears mentioning that the First amendment provides that:
"Congress shall make no Law respecting Establishment of religion, or prohibiting the free Exercise thereof; or Abridging the freedom of speech or of the press; or the right of the people

GE 2
nes v. Bonds

peacefully to assemble, and to PETITION THE GOVERNMENT FOR
A REDRESS OF GRIEVANCES."

Accordingly, Plaintiff Jonathan Lee Riches[©] d/b/a "the white suge knight" has a
Constitutional and Statutory right to have his complaints filed. Any devised
Scheme by Barry Bonds, "Bud" Selig, Michael Vick, George W. Bush, Cindy
Sheehan in the Northern District of California, their Attorneys, friends
to attempt to thwart me from filing true actual complaints is a Constitutional
violation, due process.

I write this Motion wrapped around the Constitution. My July 2007 copy
of the Idaho observer in my right hand, my left hand raised high like the
Statue of Liberty.

Barry Bonds has threatened me that if I talk to any media, press, radio, newspapers
Journals, or the public about his secrets, he would personally find out who
purchased my dogs from Michael Vick on Ebay, buy them back, kill them and
eat them on Youtube. Bonds has trained hitmen with sniper scopes surrounding
Fci Williamsburg. MR. Bonds bribed warden Donald Bauknecht with Giants
tickets, in return forbidden me to speak on camera. Bonds chased down a
Fox news van with his bat. I superseded this complaint, and charge MR.
Bonds with another count of Bat Assault. Bonds personal trainer Greg
Anderson is trying to transfer to Fci Williamsburg. He told me once,
"Kid, I'll crush you like a grape".

Plaintiff requests the presiding Judges Yearly financial disclosure forms.
Plaintiff has a Constitutional right to know if this presiding Judge has
a personal and financial interest with Barry Bonds, Bud Selig, Michael Vick
that can cause Plaintiff serious harm in not receiving a fair jury trial in this suit.

The respected Honorable Judge in this complaint could also have a Financial Interest with these co-conspirator of MR. Bonds. Under 28 USC 455 (A)(B), it is a Judges duty to recuse themselves from CIVIL proceedings if a conflict of interest occurs. Does this respected Judge do banking with MR. Bonds? Do they share Joint ownership with Stocks or bonds? Have they attended Christmas parties together?

Barry Bonds declared "Novus ordo seclorum" on April 20, 2001.

MR. Bonds also financially blackmailed the presiding Judge on a lawsuit I filed in Roanoke Virginia case # 7:07CV00379 against JON SWARTZ, USA today reporter and the "Virginia Tech Shooting", to dismiss my case. Currency with Jonathan Lee Riches on the front, this is a copyright violation.

MR. Bonds tampered with my lawsuit against Cindy Sheehan and Nancy Pelosi in the Northern district of California, San Fran.

MR. Bonds bribed congress in my dismissed suit early this year against Government switches and Informants Inc. in Miami Florida, S. District of Florida. Plaintiff wishes for a fair unbiased Jury trial in this case.

Prisons in America are psychological torture, the emotional distress and trauma I suffered and witnessed in prison is unthinkable. The Bureau of Prisons "BOP" originally sent me to maximum security United States Penitentiary Coleman Florida. A white collar non-violent offender in a USP for frauds! Bonds is secretly working with the Justice department to make my life miserable. I'm currently in a South Carolina swamp. Swamp thing is roaming the premises.

I was drinking a delicious tasty COCA COLA. A hot summer day in the FCI rec Yard. MR. Bonds physically snatched my Coca Cola from me. I believe this is steroid rage. I just would like my Coca Cola back!

under 28 USC 455 (A)(B) the presiding Judge in this case has watched previous Major League baseball games with Barry Bonds, possibly witnessing games that Bonds was using corked bats, Bonds violating my copyrighted material wearing Jonathan Lee Riches[©] sneakers.

Barry Bonds violated my copyrighted lyrics. The following lyrics were used at press conferences that Bonds said without my consent;

"I'm the original, digital, cell phone cloning pirate, one eye willy, comin' straight from Philly", "You a comedy, you can't f--- wit me Economically, I'll splash through your cash, like a tsunami, Tommy Gun your funds, like I did to Capital 1", "I get identity theft cream, Jet Quick like a F-16"

Barry Bonds is violating my 6th amendment rights, keeping me in prison against my will. Holding me more than 500 miles away from my family, in violation of Bureau of Prison Policy; Barry Bonds is responsible for no parole in the Federal System. Bonds have the prisons over crowded. Bonds forces me to eat meals with no nutrition, I weigh 125 lbs at 5ft 10 inches. MR. Bonds violated my Constitutional rights on my criminal case under Booker and Fan Fan, I was enhanced millions of dollars in "intended" credit card loss that was not proven by a jury, or in my original indictment. This is a miscarriage of justice. Bonds is costing me my freedom, fresh air, Constitutional rights, maintaining a healthy weight.

Barry Bonds scared all lawyers away from me in helping me file a 28 USC 2255 to vacate my sentence. Using his bat as a weapon, I'm reaching out to any Pro Bonds Attorney. This court must stop MR. Bonds from threatening any attorney who wishes to help me.

MR. Bonds stuffed me in a cocoon on Aug 4, 2003.

Barry Bonds committed acts of Barratry

Barry Bonds stole www.JonathanLeeRiches.org, www.JonathanLeeRiches.net, www.JonathanLeeRiches.com from me. My Name is copyrighted and trademarked. I'm a Secured party under the Uniform commercial code.
