Subject: Heartland v. Forest River and Forest River v. HEartland: Discovery Issues

Dave:

To confirm my voice mail of today, I have seen no response to my email of 9/24 concerning the transcript of Mr. Donat's deposition, nor to my email of 10/10 following up on the Rule 37 conference of last week, nor any indication at all of when Heartland will respond to the discovery and deposition requirements of the second lawsuit. Please call me tomorrow to discuss these items.
