**ORDER ON SEPTEMBER 6, 2007 TELEPHONIC STATUS CONFERENCE**

Parties appeared by counsel September 6, 2007 for a telephonic status conference.

Discussion held regarding the proposed Amended Case Management Plan (“CMP”) [Docket No. 66] and related matters. The proposed CMP [Docket No. 66] is approved, provided, however, that the CMP is amended to reflect that Stelor Productions is not the licensee for the terms and/or designs at issue, but rather is the owner of those terms and/or designs by assignment. The stay in this action is lifted. The Defendant shall move to withdraw the pending motion to dismiss [Docket No. 34] within 10 days or shall file a notice of its desire to obtain a ruling on that motion.

**This cause is set for a telephonic status conference at 10 a.m. on January 17, 2008.**

Parties shall participate in this conference by counsel, who shall call the Court at 317-229-3660.

The purpose of this conference is to address settlement and case management.
