Entry Dismissing Action

The court, having considered the above action and the matters which are pending, makes the following rulings:

1. This action is dismissed without prejudice. The reason for this disposition is that the plaintiff's claims can and should be asserted in 1:06-cv-1467-LJM-WTL. There is no reason for the duplication of such actions.
2. Judgment consistent with this Entry shall now issue.
3. The plaintiff's request to proceed in forma pauperis is **denied** as moot.

IT IS SO ORDERED.
