Entry Concerning Selected Matters

The court, having considered the above action and the matters which are pending, makes the following rulings:

1. The petitioner's motion for relief from judgment (dkt 14) is **denied** for the same reasons as explained in the Entry of October 6, 2009.

2. The petitioner's motion for prospective relief (dkt 16) is **denied**. The reason for this ruling is that final judgment was entered on the clerk's docket on September 30, 2009, and has not been reopened. Additionally, the center cannot challenge his treatment or the conditions of his confinement through an action for habeas corpus relief.

IT IS SO ORDERED.
