ORDER

This matter is before the Court on Plaintiff One Number Corporation’s motion for leave to take limited expedited written discovery. [Docket No. 30.] Plaintiff’s motion is denied. However, the Court expects it would allow more narrowly tailored discovery, and counsel shall confer in good faith in an attempt to agree on these parameters. If agreement cannot be reached, counsel shall notify the Magistrate Judge’s staff, and this matter will be set for a prompt hearing. Three business days prior to any such hearing Plaintiff shall file any remaining discovery requests.
