Title			
OFFENDER VISITATION			

C. EX-OFFENDERS

Ex-offenders shall not be permitted to visit offenders in Department facilities without the prior written approval of the Facility Head of the facility housing the offender to be visited. Ex-offenders shall be approved or denied for visitation on a case-by-case basis. Permission for visits by ex-offenders, who are not under any type of community supervision (e.g., parole or probation), may be considered after the ex-offender has been discharged or released from parole or probation supervision for a period of one (1) year. Individuals who received county jail time, but have never received a court order for any type of community supervision, and who have not been incarcerated in a state or federal prison do not fall under the (1) year consideration, and can be approved or denied at the discretion of the Facility Head.

Ex-offenders, including parolees, and probationers, may be considered for visits if special circumstances warrant such consideration. Special circumstances are visits that will aid in the incarcerated offender's re-entry programming. If still on probation / parole, the ex-offender shall obtain written authorization from his/her parole / probation officer prior to consideration by the Facility Head. The original signed approval from the parole or probation officer must be sent to the Facility Head where the ex-offender is requesting visitation. The Facility Head shall consider the safety and security of the individuals and the facility as well as the value of the visit to the offender when granting approval or denial of requests to visit by ex-offenders. Approvals to visit shall be for one (1) visit only unless otherwise specified by the parole or probation officer and the Facility Head. Denials of requests to visit shall be noted in the OIS/JDS computer systems. In cases of denials, the parolee or probationer may submit a request again no earlier than one (1) year from the date of the last denial. If the request is approved and the offender is transferred to another facility, the approval shall continue to be in effect unless the Facility Head or designee of the new facility determines that there is a reason to require the ex-offender to submit a new request.

The Facility Head may approve for regular visitation an ex-offender who has children under the age of 18 with a current offender, provided the relationship of the children to the offender is verifiable and the ex-offender visits the offender with the mutual children each time. The ex-offender shall be subject to the same application approval process as other ex-offenders in this section of this policy and administrative procedure. The children shall be subject to the application approval process as outlined in Section V of this policy and administrative procedure.
