)	Defendants.

ENTRY

I.

On December 30, 2011, Plaintiff filed her Objection to a Magistrate. The objection [9] is frivolous and is **denied**. The reason the objection is frivolous is because it is premised on the plaintiff's misapprehension of the proper roles of judicial officers in federal civil litigation.

II.

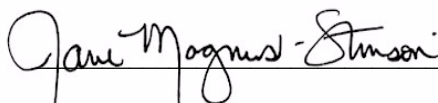

“Once a party invokes the judicial system by filing a lawsuit, it must abide by the rules of the court; a party cannot decide for itself when it feels like pressing its action and when it feels like taking a break because trial judges have a responsibility to litigants to keep their court calendars as current as humanly possible.” *James v. McDonald's Corp.*, 417 F.3d 672, 681 (7th Cir. 2005), citing *GCIU Employer Ret. Fund v. Chicago Tribune Co.*, 8 F.3d 1195, 1198-99 (7th Cir. 1993)(internal quotations omitted). The plaintiff is **admonished** to take heed of the foregoing.

IT IS SO ORDERED.
