ORDER DIRECTING ENTRY OF FINAL JUDGMENT

This action is dismissed because this Court lacks jurisdiction over the state law claim alleged in the amended complaint. The Entry of October 3, 2019, dismissed the operative complaint for lack of jurisdiction. See dkt. 12. The plaintiff was given a period of time in which to show cause why Judgment consistent with that Entry should not be entered. That time has passed without a response from the plaintiff. Accordingly, Judgment dismissing this action for lack of jurisdiction shall now issue.

The motion for assistance recruiting counsel, dkt [13], is **denied** because this action has been dismissed and the Court will not attempt to recruit a pro bono attorney to assist with a claim that this Court lacks jurisdiction to consider.

SO ORDERED.
