**ENTRY DISMISSING ACTION AND DIRECTING ENTRY OF FINAL JUDGMENT**

In the Notice of August 21, 2019, the plaintiff was directed to supplement his motion to proceed *in forma pauperis* by submitting a copy of his trust fund account statement for the 6-month period preceding the filing of this action. Dkt. 5. The deadline for doing so, September 18, 2019, passed with no response.

The Court then issued an Entry on October 8, 2019, ordering the plaintiff to either comply with the directions issued on August 21, 2019, or show cause why the action should not be dismissed for failing to provide the required information. Dkt. 7. The plaintiff was warned that failure to respond to the Entry would result in the dismissal of the action without further notice. *Id.* The deadline to respond to that Entry was October 25, 2019. The Entry returned to the Court as undeliverable because the plaintiff had been released from custody. Dkt. 8.

The plaintiff has not reported a current address, has not provided the required information, and he has not shown that the action should not be dismissed for failure to comply with Court

orders. Accordingly, the action is **dismissed without prejudice** for failure to comply with Court orders.

Judgment consistent with this Entry shall now issue.

**SO ORDERED.**
