1

My name is Jonathan Lee Riches. I'm serving an illegal sentence of 125 months in Federal prison for Identity theft, wire fraud, Hacking, Phishing, telephone Phreaking. My case is out of the Southern District of Texas, Case # H-03-90.

I warned the state of Minnesota in the past about bridge cracks on I-35 West Bridge. I wrote letters to the Governor between April 20, 1999 until my Federal Arrest Feb 25th, 2003. The Governor responded back to me "Mind Your business Kid."

I'm entitled for relief under the whistleblowing act.

2

Defendants are in a vast conspiracy to sabotage bridges around the country, including, I-35W, Silver Bridge in Ohio, Sunshine Skyway Bridge in Tampa, Covered Bridges in Pennsylvania.

3

My Identity was stolen from Defendants. My credit was used to purchase imported steel from Japan's Nippon Co. Defendants also bought Home Depot Lumber.

4

I witnessed Defendants trading secrets with International cartels and Cabals, blueprints and demolition of bridges.

5

Defendants placed obese people besides the victims on I-35W prior to bridge falling. This put strains on the concrete.

6

I-35W was sabotage created by Defendants to justify more federal funding at the expense of tax payers. The Governor has a secret plan to put toll roads around the city, and charge people entering the city, RFID chip people entering the state.

7

Defendants placed my copyrighted picture on the Hillsborough County Jail Tampa Florida inmate lookup site without my consent. Defendants also used my copyrighted name on billboards, hallways at Mall of America, Stuckeys, for commercial gain.

8

Defendants are in a conspiracy with Alaska Senator Ted Stevens to build a bridge to nowhere.

9

I suffered psychiatric trauma watching the buildings fall on Youtube. The Defendants are testing my mind to the limits. I get hate mail from Exposing them. Defendants cause me to lose weight. I now weigh 125 lbs at 5ft 10 in, I have pictures to show upon request. I used to weigh a healthy 170 lbs.

10

Defendants threatened to crack more bridges. A deliberate Act to cause panic and chaos.

Riches v. I-235W

11

Plaintiff also files a motion for appointment of counsel. As I need legal help against this conspiracy

12

Defendants violated my 6th amendment rights on my criminal case by enhancing me millions of dollars of fraud loss that was not proven to a jury nor in my indictment.

- Defendants accused me of stealing Janet Reno's identity getting a gold Lexus in her name, using a credit card to charge vehicle insurance, faxing the policy to Kinko's
- Defendants falsely accused me of stealing Sean "P. Diddy" Combs Citibank card and adding a authorized user in the name "Christie Combs" and sending it to Mar. 2. Goxes etc. in Tarpon Springs Fl. to use.
