Masoud - I don't know what to suggest. As I've said, I don't think we can help you against Sprint. As for Vonage, they seemed to be your best chance. But, it's true that if they (Vonage) go ahead and make a deal with Sprint, Vonage won't need your help.

Subject: forwarding vonage email

Mike,

This is latest I got from Barry.
He's been very responsive with emails.
His last three emails say basically the same thing. That I should wait.
Which I don't mind doing.

My concern is that there's nothing in writing or any kind of agreement between us. What can I expect from a Sprint-Vonage deal or no-deal is not clear without a contract or am I mistaken.

Regards,

Masoud
