Re: Sprint Communications Co. L.P. v. Vonage Holdings Corp. and Vonage America, Inc.

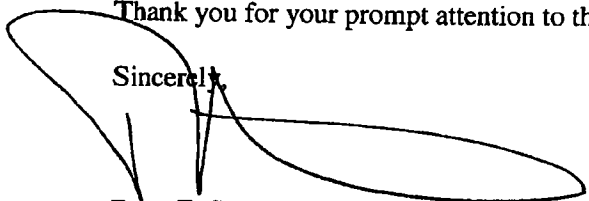

Dear Barry:

This letter is a follow-up to my letter to you of February 9, 2007. In that letter, I detailed the documents Vonage has not yet produced among the 11 categories of documents identified by John Rego during his deposition on November 16, 2006. I also noted that Vonage confirmed their agreement to produce these documents in Donald McPhail's letter to Adam Seitz on December 12, 2006. Finally, I asked that the documents be produced in 10 days.

Since sending my letter, I have not heard any response from you, nor have I received any further production. Ten of the eleven categories of documents remain outstanding. Please respond at your earliest opportunity. We would prefer to resolve this problem without involving the Court, particularly since you have already promised to produce the documents in question. But if we do not hear from you before noon on Wednesday, February 28, 2007, we will have no choice but to bring issue to the attention of the Court.

Thank you for your prompt attention to this matter.

Sincerely,

Peter E. Strand
