

EXHIBIT D

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF KANSAS

<p>COMMUNICATIONS COMPANY L.P.,</p> <p>Plaintiff,</p> <p>v.</p> <p>THEGLOBE.COM, INC., VOICEGLO HOLDINGS, INC., VONAGE HOLDINGS CORP., and VONAGE AMERICA, INC.</p> <p>Defendants.</p>	<p>Case No. 05-2433 JWL</p>
--	-----------------------------

**DEFENDANT VONAGE AMERICA, INC.'S RESPONSES AND OBJECTIONS TO
PLAINTIFF SPRINT COMMUNICATIONS COMPANY L.P.'S FIRST REQUEST FOR
PRODUCTION OF DOCUMENTS AND THINGS**

Defendant Vonage America, Inc. ("Vonage America"), pursuant to Fed. R. Civ. P. 33, hereby responds to Plaintiff Sprint Communication Company L.P.'s ("Sprint") First Set of Interrogatories.

GENERAL OBJECTIONS

1. Vonage America objects to the extent that these Request for Production request information protected from discovery by the attorney-client privilege or work product doctrine, or any other statutory or common law privilege or doctrine of confidentiality that would make the information immune or exempt from discovery. The responses to the requests contained herein shall not be construed to include any waiver by Vonage America of the attorney-client privilege, the work product doctrine, or exemption, all responses being expressly subject to such objection.

2. Vonage America objects to these Requests for Production to the extent that: (a) they are unreasonably cumulative or duplicative; (b) the information is not within the possession, custody, or control of Vonage America, (c) the information sought is otherwise readily available to Sprint from their own personnel, documents, or records, or may be obtained from another source that is more convenient, less burdensome, or less costly.

3. Vonage America objects to Sprint's "Instructions" and "Definitions" contained in these Requests for Production to the extent that they request information that is beyond the scope,

OUTSIDE ATTORNEYS EYES ONLY

requirements and definitions set forth in the Federal Rules of Civil Procedure, the Local Rules of the U.S. District Court for the District of Kansas, or at common law. In particular, Vonage America objects to the following definition:

a. Definition "5": Vonage America objects to the extent that the proffered definition of "document" exceeds the parameters of the Federal Rules of Civil Procedure and Local Rules of Practice for the District of Kansas.

4. In responding to these Requests for Production, Vonage America does not in any manner or intend to waive, but rather intends to preserve:

a. all objections as to competency and admissibility;

b. all rights to object on any ground to the use of any information produced in response to these requests in any subsequent proceedings, including the trial of this matter; and

c. all objections as to privilege, work product, and confidentiality.

5. Vonage America hereby incorporates each of the objections contained in its Response and Objections to Sprint's First Set of Interrogatories.

SPECIFIC OBJECTIONS AND RESPONSES

Vonage America hereby incorporates each of the foregoing General Objections into each of its Specific Objections and Responses, as if set forth fully herein.

REQUEST NO. 1

All documents identified, relied upon, examined, or otherwise used by Vonage America, Inc. in answering Sprint's First Set of Interrogatories.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, and as vague and ambiguous. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 2

All documents and things upon which Vonage America, Inc. relies in support of its contentions that Vonage America, Inc. has not infringed, is not infringing, has not contributorily infringed, is not contributorily infringing, has not induced the infringement of, and is not inducing the infringement of the Asserted Patents or claim(s) thereof.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague, compound, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 3

All documents and things upon which Vonage America, Inc. relies in support of its contention that the Asserted Patents were not legally issued.

RESPONSE:

Vonage America objects to the request as overly broad as stated and burdensome, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 4

All documents and things upon which Vonage America, Inc. relies in support of its contention that any alleged acts of infringement have not been willful or intentional.

RESPONSE:

Vonage America objects to the request as overly broad as stated and burdensome, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 5

All documents and things upon which Vonage America, Inc. relies in support of its contention that Plaintiff's claim is barred, in whole or in part, by the doctrine of laches.

RESPONSE:

Vonage America objects to the request as overly broad as stated and burdensome, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 6

All documents and things upon which Vonage America, Inc. relies in support of its contention that the Asserted Patents or claim(s) thereof are invalid, void and/or unenforceable for failing to comply with one or more provisions of Title II of 35 U.S.C.

RESPONSE:

Vonage America objects to the request as overly broad as stated, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 7

All documents and things upon which Vonage America, Inc. relies in support of its claim that the Asserted Patents are unenforceable.

RESPONSE:

Vonage America objects to the request as overly broad as stated, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 8

All documents and things in the possession, custody, or control of Vonage America, Inc. which record, refer to, or relate to the patentability, validity or invalidity, scope, enforceability or unenforceability, inventorship, priority, and/or infringement or non-infringement of the Asserted Patents or any claim(s) thereof.

RESPONSE:

Vonage America objects to the request as overly broad as stated, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 9

All documents and things in the possession, custody, or control of Vonage America, Inc. which record, refer to, or relate to any prior art relative to the subject matter of the Asserted Patents, including, but not limited to, all documents relating in any way to any search ever conducted by, for, or on behalf of Vonage America, Inc. for such prior art, and copies of any reports, summaries, or results of any such search.

RESPONSE:

Vonage America objects to the request as overly broad as stated in scope and time and therefore unduly burdensome, compound and confusing, and vague and ambiguous and not relevant to any claim or defense of any party. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 10

All documents in the possession, custody or control of Vonage America, Inc. which record, refer to, or relate to any opinions, analyses, and/or investigations with respect to the validity or invalidity, novelty, patentability, enforceability or unenforceability, inventorship, priority, state of the art, and/or infringement or non-infringement of the Asserted Patents, any claim of the Asserted Patents, or the subject matter disclosed in the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated in scope and time and therefore unduly burdensome, compound and confusing, and vague and ambiguous and not relevant

to any claim or defense of any party. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 11

If Vonage America, Inc. will invoke the advice of counsel defense to avoid a finding of willful infringement, produce all documents which record, refer to, or relate to such advice of counsel.

RESPONSE:

Vonage America objects to the request as overly broad as stated and burdensome, and argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 12

Documents sufficient to identify the function, operation, design and/or programming of all components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, and as vague and ambiguous and not relevant to any claim or defense of any party. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 13

Documents sufficient to identify the function, operation, design and/or programming of all products and/or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, and as vague and ambiguous and not relevant to any claim or defense of any party. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 14

All documents which record, refer to, or relate to the conception, design, reduction to practice, invention, development, testing, manufacture, production, use and/or operation of any of the products or services identified in response to Interrogatory No. 1 including, without limitation, drawings, specifications, parts lists, test reports, engineering change orders, trip reports, meeting notes, purchase orders, work orders, logs of engineering work, logs of hours expended, costs of prototypes and development, engineering reports, and engineering studies.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds

that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 15

All documents which record, refer to, or relate to the conception, design, reduction to practice, invention, development, testing, manufacture, production, use and/or operation of any of the components, whether hardware or software, identified in response to Interrogatory No. 2 including, without limitation, drawings, specifications, parts lists, test reports, engineering change orders, trip reports, meeting notes, purchase orders, work orders, logs of engineering work, logs of hours expended, costs of prototypes and development, engineering reports, and engineering studies.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 16

Produce a copy of each piece of advertising, informational or promotional material relating to or referring to any of the products or services identified in response to Interrogatory No. 1 including, without limitation, press releases, brochures, correspondence with actual or potential customers, correspondence with actual or potential suppliers, catalogs, catalog sheets, price lists, descriptive

literature, articles in trade journals, technical journals or other publications, materials prepared for trade meetings or conventions, and any other material disseminated or otherwise made available to the public or by an entity that sells any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 17

Documents which record, refer to, or relate to all financial and sales projections, budgets, marketing plans, investment plans, financial statements, forecasts, business plans and/or strategic plans that relate or refer, in whole or in part, to any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 18

All documents in the possession, custody or control of Vonage America, Inc. relating to any and all patents issued by any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose or claim, in whole or in part, any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. Vonage also objects to the extent that the documents are readily available to Sprint from publicly available sources.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 19

All documents in the possession, custody or control of Vonage America, Inc. relating to any and all patents issued by any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose or claim, in whole or in part, any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds

that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. Vonage also objects to the extent that the documents are readily available to Sprint from publicly available sources.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 20

All documents in the possession, custody or control of Vonage America, Inc. relating to any and all patent applications filed with any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose, or claim, in whole or in part any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

REQUEST NO. 21

All documents in the possession, custody or control of Vonage America, Inc. relating to any and all patent applications filed with any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose, or claim, in whole or in part any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds

that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

REQUEST NO. 22

All documents in the possession, custody or control of Vonage America, Inc. given to patent counsel for preparing or prosecuting any and all patent applications filed with any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose, or claim, in whole or in part, any of the products or services identified in response to Interrogatory No. 1 including, but not limited to, all drawings, statements, written descriptions, blueprints, and/or printed publications.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

REQUEST NO. 23

All documents in the possession, custody or control of Vonage America, Inc. given to patent counsel for preparing or prosecuting any and all patent applications filed with any country's patent office, including the United States Patent and Trademark Office, that refer to, disclose, or claim, in whole or in part, any of the components, whether hardware or software, identified in response to Interrogatory No. 2 including, but not limited to, all drawings, statements, written descriptions, blueprints, and/or printed publications.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds

that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

REQUEST NO. 24

All documents which record, refer to, or relate to the amount of profit (actual and/or anticipated, gross and/or net) earned by or on behalf of Vonage America, Inc. in connection with any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection all responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 25

Documents which record, refer to, or relate to all licenses, assignments, agreements, and/or contracts in the possession, custody, or control of Vonage America, Inc. which refer to or relate to the any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 26

Documents which record, refer to, or relate to all licenses, assignments, agreements, and/or contracts in the possession, custody, or control of Vonage America, Inc. which refer to or relate to the any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 27

All documents relating to any agreement or understanding to indemnify, hold harmless, discharge, satisfy, release, or otherwise shift any cost associated with any potential or actual liability to or from any person or entity relating to the making, using, importing, offering for sale, and/or sale of any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product

immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 28

All documents relating to any agreement or understanding to indemnify, hold harmless, discharge, satisfy, release, or otherwise shift any cost associated with any potential or actual liability to or from any person or entity relating to the making, using, importing, offering for sale, and/or sale of any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 29

Produce all corporate minutes of Vonage America, Inc. for all meetings of shareholders, directors, or officers which refer to or relate to any of the following:

- a. The Asserted Patents; and/or
- b. The present lawsuit.

RESPONSE:

Vonage America objects to the request as overly broad as stated, in both time and scope, and therefore unduly burdensome. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America

REQUEST NO. 30

All documents that constitute or relate in any way to tests, studies, investigations, inspections, or analyses performed by or on behalf of Vonage America, Inc. relating to the Asserted Patents to determine whether any of the products or services identified in response to Interrogatory No. 1 infringe or infringed any claim of the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 31

All documents that constitute or relate in any way to tests, studies, investigations, inspections, or analyses performed by or on behalf of Vonage America, Inc. relating to the Asserted Patents to determine whether any of the components, whether hardware or software, identified in response to Interrogatory No. 2 infringe or infringed any claim of the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 32

All documents in the possession, custody or control of Vonage America, Inc. that refer or relate to Sprint and/or the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America

REQUEST NO. 33

All documents that relate to or constitute notice to Vonage America, Inc. of the Asserted Patents, including, but not limited to, documents sufficient to show when Vonage America, Inc. first became aware of the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. Vonage America also objects as the Request is argumentative. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America

REQUEST NO. 34

All documents in the possession, custody, or control of Vonage America, Inc. which record, relate to, or refer to any communication with any supplier of any of the products or services identified in response to Interrogatory No. 1 which record, relate to, or refer to the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 35

All documents in the possession, custody or control of Vonage America, Inc. which record, relate to, or refer to any communication with any supplier of any of the components, whether hardware or software, identified in response to Interrogatory No. 2 which record, relate to or refer to the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 36

All documents and things upon which Vonage America, Inc. relies in support of its denial of paragraph 7-8 of the First Amended Complaint.

RESPONSE:

Vonage America objects as the Request is overbroad and unduly burdensome. Vonage America also objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection all responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 37

All documents that relate to any contention made in your affirmative defenses or on which you base any contention made in your affirmative defenses.

RESPONSE:

Vonage America objects as the Request is overbroad and unduly burdensome. Vonage America also objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 38

All documents in your possession, custody or control that support your contention that “[t]he Complaint is barred by the doctrines of laches, estoppel and acquiescence.”

RESPONSE:

Vonage America objects as the Request is overbroad and unduly burdensome. Vonage America also objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 39

All documents in your possession, custody or control that support your contention that “[t]he Complaint is barred by the doctrine of unclean hands.”

RESPONSE:

Vonage America objects as the Request is overbroad and unduly burdensome. Vonage America also objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 40

Documents sufficient to identify the structure, construction, function, operation, programming or architecture of any of the products and/or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 41

Documents sufficient to identify the structure, construction, function, operation, programming or architecture of any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 42

Documents sufficient to identify the design and/or programming specifications for any of the products and/or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, duplicative and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 43

Documents sufficient to identify the design and/or programming specifications for any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, duplicative and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 44

Documents sufficient to identify any modification, alteration, or revision of the design, construction, performance or architecture of any of the products and/or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 45

Documents sufficient to identify any modification, alteration, or revision of the design, construction, performance or architecture of any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 46

All documents relating to Vonage America, Inc.'s decision to make, use, sell, offer to sell, license, or offer to license any of the products or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 47

All documents relating to Vonage America, Inc.'s decision to make, use, sell, offer to sell, license, or offer to license any of the components, whether hardware or software, identified in response to Interrogatory No. 2.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 48

All documents relating to any correspondence by Vonage America, Inc. with anyone regarding the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad in time and scope as stated, and unduly burdensome. The Request is also vague and ambiguous. Vonage America further objects to the extent that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 49

All documents relating to any communication between Vonage America, Inc., or anyone acting on its behalf, and any customer, field representative, supplier, manufacturer, or any other third party about the patentability, validity, enforceability, scope and/or infringement of any claim of the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad in time and scope as stated, and unduly burdensome. The Request is also vague and ambiguous and duplicative. Vonage America further objects to the extent that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 50

All invention disclosures submitted to Vonage America, Inc. by its employees, or any other person, which relates in any way to the subject matter of the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad in time and scope as stated, and unduly burdensome. The Request is also vague and ambiguous. Vonage America further objects to the extent that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. It further objects to the extent that the

Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

REQUEST NO. 51

All documents relating to Vonage America, Inc.'s Answer, Affirmative Defenses and Counterclaim, including any documents that Vonage America, Inc. relied upon therein.

RESPONSE:

Vonage America objects to the request as overly broad in time and scope as stated, and unduly burdensome. The Request is also vague and ambiguous. Vonage America further objects to the extent that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 52

All documents relating to what Vonage America, Inc. contends was the level of skill of one of ordinary skill in the art at the time of filing for the Asserted Patents.

RESPONSE:

Vonage America objects to the request as overly broad in time and scope as stated, and unduly burdensome. The Request is also vague and ambiguous. Vonage America further objects to the extent that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such

documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 53

Documents sufficient to identify the number of units sold, the number of subscribers or customers, dollar revenues from sales, gross profits, net profits, actual profits, including all costs relied upon in determining actual profits, and anticipated profits from the sale or distribution of the products and/or services identified in response to Interrogatory No. 1.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 54

Documents sufficient to identify any financial projections, projected revenue and/or projected market share from the sale and/or distribution of the products and/or services identified in response to Interrogatory No. 1 including, but not limited to, such projections which were provided to investors, potential investors or potential purchasers of Vonage America, Inc. and/or that were prepared in anticipation of an Initial Public Offering or sale of Vonage America, Inc.

RESPONSE:

Vonage America objects to the request as overly broad as stated and unduly burdensome, vague and ambiguous, and compound and confusing. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds

that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waiver of all applicable objections, Vonage America will produce or make available for inspection responsive, non-privileged documents, to the extent that such documents exist which can be located after a reasonable search and inspection of same in the custody and control of Vonage America.

REQUEST NO. 55

Documents sufficient to identify the recipients of any documents produced in response to Request No. 53.

RESPONSE:

Vonage America reiterates its response and objections to Request No. 53, and objects to the request as overly broad as stated and unduly burdensome, and vague and ambiguous. It further objects to the extent that the Request seeks documents that come within the scope of the attorney-client privilege or work-product immunity, or that are otherwise exempt from discovery. Vonage America also objects on grounds that the Request seeks information that is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.
