Lauren,

We can agree to move the Daubert deadline as it relates to Mr. Mossinghoff to August 10 on the condition you provide us the same extension for our opposition to any such motion.

Please let me know if this arrangement is acceptable to you.

Thanks,

Adam

Dear Adam,

As noted, August 7 is the Court's deadline for certain expert motions. If Mr. Mossinghoff can be available no sooner than August 7, we can depose him then, on condition that Sprint agree to extend the August 7 deadline, as it may relate to Mr. Mossinghoff, to August 13.

Please let us know how you'd like to proceed.

Lauren,

Finding available dates for the deposition is difficult given the ongoing pretrial preparations and the difficulties with both our schedule and Mr. Mossinghoff's schedule. This was why we provided you with multiple dates for his deposition in May, all of which you chose not to accept. Nonetheless, we have attempted to rearrange the schedules of everyone involved and the only other date on which we can produce Mr. Mossinghoff is August 7. Please confirm this date works for you.

Thanks,

Adam

August 24 is beyond the Court's deadlines for exhibits, designations and other motions that may be affected by Mr. Mossinghoff's testimony. Please provide a date Mr. Mossinghoff can be available that is prior to the Court's August 7 deadline for expert-related motions.
