Re: *Sprint Communications Company L.P. v. Vonage Holdings Corp., et al.*
Case No: 05-2433-JWL
SHB File No: SPRI.116441

Dear Helesa:

This letter responds to your June 28, 2007 letter regarding Sprint's privilege log.

As an initial matter, I would note that the Court's May 8, 2007 Order regarding Vonage's privilege log did not address the sufficiency of Sprint's privilege log, which, in any event, is more than sufficient under the Court's Order. Because Sprint has endeavored to specifically detail authors, recipients, subjects and purposes for each of its entries, we are confused as to which entries you believe are insufficient. To this end, I would ask that you please identify those entries Vonage contends are insufficient and the reasons therefore so we may make a determination of whether additional detail is required.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Jason R. Mudd'.
