Re: *Sprint Communications Company L.P. v. Vonage Holdings Corp., et al.*
Case No: 05-2433-JWL
SHB File No: SPRI.116441

Dear Ms. DeBruicker:

This letter is in response to your July 31 letter to Mr. Seitz regarding Sprint's privilege log. We appreciate Vonage identifying with particularity the deficiencies it has alleged with respect to Sprint's log. We also appreciate your August 2 e-mail, which clarified your contentions with respect to some of Sprint's entries. We are still in the process of evaluating your contentions with respect to some of the entries, but will be producing an updated privilege log, as well as selected documents that Sprint has decided to produce on Monday, August 6, 2007. We also will respond to your letter in more detail at that time.

With respect to Mr. Setter's notes that were redacted from Mr. Christie's presentation, we will be producing the unredacted version of this document because we agree that the technical disclosure from Mr. Christie to Mr. Setter is not privileged. However, we will only do so if Vonage agrees that this will not constitute a general waiver of privilege in any form. Please let me know if you agree so we may promptly produce the unredacted version.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

/s/ Jason R. Mudd
