Geek To Live: Getting Things Done with Google Notebook

2 May 2007 by Gina Trapani

Second: why **Google Notebook**? While there are dozens of online list makers, **Google Notebook** is flexible enough (ie, not just a list) for you to work and tweak your GTD system to your liking. It can capture information anywhere on the web ...

Open Google Notebook in Firefox Sidebar

20 Apr 2007 by Mitch

I think it is too small and doesn't allow me to open and shut it very quickly. What's the solution? Well I took the Google personalized homepage widget for **Google Notebook** and added it to the sidebar of Firefox. ...

Google Integrates Google Notebook in SERPs

17 Jul 2007 by andy.beal@gmail.com (Andy Beal)

It's been nearly four months since Google let **Google Notebook** out of beta, but it was just today I noticed that they've integrated **Google Notebook** into search engine results pages. Click on the "Note this" link and the text changes to ...

What is Google Notebook?

16 Aug 2007 by Nish

Google search has added a new feature to their search results. It seems as a cool feature, but still too early to predict the future. I tried it and found that, it doesn't use tagging, and sharing is only available among friends. ...

Google Notebook

11 Aug 2007 by wakako

So I don't think I talked enough about **Google Notebook** when I blogged about Google Reader couple days ago. I am so hooked with **Google Notebook**. It's not even funny. I love the fact that I can always access to my notebook when I have my ...
