

**UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF KENTUCKY  
AT LOUISVILLE  
CIVIL ACTION NO. 3:14CV-509-H**

**MIKE JASON PROFITT**

**PLAINTIFF**

v.

**US BANK *et al.***

**DEFENDANTS**

**MEMORANDUM OPINION**

Plaintiff Mike Jason Profitt filed this *pro se* action on a court-supplied general complaint form. In the caption he lists Plaintiff as “Police Force AND Mike Jason Profitt” and lists Defendants as “US Bank – Tim Rork At: Central State Hospital phone Call Was Made Right Hotel[.]” The rest of the complaint form is blank.

“[A] district court may, at any time, *sua sponte* dismiss a complaint for lack of subject matter jurisdiction pursuant to Rule 12(b)(1) of the Federal Rules of Civil Procedure when the allegations of a complaint are totally implausible, attenuated, unsubstantial, frivolous, devoid of merit, or no longer open to discussion.” *Apple v. Glenn*, 183 F.3d 477, 479 (6th Cir. 1999). The complaint contains no factual allegations and warrants dismissal for lack of subject-matter jurisdiction.

In addition, Rule 8 of the Federal Rules of Civil Procedure requires that a complaint contain:

- (1) a short and plain statement of the grounds for the court’s jurisdiction, unless the court already has jurisdiction and the claim needs no new jurisdictional support;
- (2) a short and plain statement of the claim showing that the pleader is entitled to relief; and
- (3) a demand for the relief sought, which may include relief in the alternative or different types of relief.

Fed. R. Civ. P. 8(a). In the instant case, Plaintiff's complaint lacks sufficient information to meet this standard. *See Swierkiewicz v. Sorema N.A.*, 534 U.S. 506, 512 (2002) (indicating that the short and plain statement of claim must “give the defendant fair notice of what the plaintiff's claim is and the grounds upon which it rests”) (citation omitted). The complaint contains no factual allegations or grounds to support a claim.

Therefore, by separate Order, the instant action will be dismissed.
