WESTERN DISTRICT OF KENTUCKY
AT PADUCAH**

TREVON M. JOHNSON

PLAINTIFF

v.

CIVIL ACTION NO. 5:06-CV-14-R

JOHN REESE et al.

DEFENDANTS

MEMORANDUM OPINION

Plaintiff initiated this civil action under 42 U.S.C. § 1983. Upon filing the instant action, he assumed the responsibility of keeping this Court advised of his current address and to actively litigate his claims. See LR 5.2(d) (“All pro se litigants must provide written notice of a change of address to the clerk and to the opposing party or the opposing party’s counsel. Failure to notify the Clerk of an address change may result in the dismissal of the litigant’s case or other appropriate sanctions.”).

The Clerk of Court sent a mailing to Plaintiff on October 1, 2008. That mailing was returned by the United States Postal Service marked “FORWARD TIME EXP.; RTN TO SEND.” Plaintiff has not advised the Court of a change of address, and neither notices from this Court nor filings by Defendants in this action can be served on Plaintiff. In such situations, courts have an inherent power “acting on their own initiative, to clear their calendars of cases that have remained dormant because of the inaction or dilatoriness of the parties seeking relief.” *Link v. Wabash R.R. Co.*, 370 U.S. 626, 630 (1962). Because it appears to this Court that Plaintiff has abandoned any interest in prosecution of this case, the Court will dismiss the case by separate order.
