Donna:

Your accusations of wrongdoing are not helping. The motion was filed *ex parte* per instructions from Judge Vance's office.

Further, these issues were discussed during the April 1 hearing, so the revised Third Amended Class Action Complaint is no surprise to you. Again, we are trying to complete the amendments in an efficient process. You have not been prejudiced, but file whatever you want... We will eventually get to the merits.

If you would like to discuss this issue more, please call me on my cell phone 985-768-0252. I will be out of the office tomorrow, working from home.
