**MOTION FOR CLASS CERTIFICATION**

NOW INTO COURT, through undersigned counsel and pursuant to Fed. R. Civ. P. 23(c)(1) and L.R. 23.1(B), comes plaintiff, Vicki L. Pinero (“Plaintiff”). Plaintiff requests the class be certified under Rule 23(b)(3) for some of her claims, *i.e.*, Counts 1-5 and 7-8. As explained in the attached supporting memorandum, Plaintiff’s class claims satisfy Rule 23(a)’s requirements of “numerosity,” “commonality,” “typicality,” and “adequacy of representation.” Further, Plaintiff’s class claims satisfy the “predominance” and

“superiority” requirements of Rule 23(b)(3). The Court, therefore, should grant Plaintiff’s motion and set a hearing to discuss the form and content of the class action notice to the class members.

WHEREFORE, considering the premises, Plaintiff requests that the Court grant her class certification motion and certify the class and claims requested and set a hearing to discuss the class notice.

Respectfully Submitted,

/s/ Bryan C. Shartle
