CIVIL ACTION

VERSUS

NUMBER: 10-1156  
& all consolidated cases

TRANSOCEAN, LTD, ET AL

SECTION: J (1)

ORDER

It has been brought to the Court's attention that the Court's minute entry following the status conference held on June 17, 2010, incorrectly identified one of the defendants as "BP PLC, LLC", and that the correct name should be simply "BP". Therefore, the minute entry from the status conference is hereby amended as follows:

Cameron International Corporation, BP, and Halliburton's motion for recusal under 28 U.S.C. 455(B) (C.A. 10-1250, doc #65, 70, 71): Argued; ORDERED DENIED.

Cameron International Corporation, BP, Anadarko Petroleum Corporation, and Halliburton Energy Services Inc. are to produce documents by July 6, 2010, and Transocean by July 14, 2010, into the interim document repositories.

Worker health and safety concerns are discussed. BP's amended policy as to workers' safety is read into the record by plaintiffs' counsel. This document will be filed into the record shortly. Samples of new oil and weathered oil are to be produced in a coordinated fashion by liaison counsel.

The remainder of the minute entry of June 17, 2010, remains unchanged.

A handwritten signature in black ink, appearing to be the initials 'JRS' or similar, written in a cursive style.
