PLAINTIFFS’ MOTION TO SUPPLEMENT ADMINISTRATIVE RECORD

NOW INTO COURT, through undersigned counsel, come Plaintiffs, Hornbeck Offshore Services, L.L.C., the Bollinger Entities and the Chouest Entities (collectively, “Plaintiffs”), which, pursuant to the Court’s orders dated June 11, 2010 (Rec. Doc. 10) and June 14, 2010 (Rec. Doc. 23), respectfully move this Court to enter an order requiring Defendants to supplement the Administrative Record submitted in this case with the May 11, 2010 MMS Deepwater Drilling Rig Inspection Report (the “Post-Incident Inspection Report”) in the event

that Defendants have omitted to include it.¹ For the reasons set forth in the accompanying memorandum of law in support of this motion, the Post-Incident Inspection Report, if not originally included by Defendants, should be added to the Administrative Record before the Court.

WHEREFORE, Plaintiffs respectfully request that this Court grant their Motion to Supplement Administrative Record and enter an order requiring Defendants, if they have not already done so, to add the Post-Incident Inspection Report to the Administrative Record in this case.

Respectfully submitted,

s/Carl D. Rosenblum
